Ten H.H.S. Students Inducted Into National Honor Society

Mrs. Robert Cary, Jr. was the speaker for the National Honor Society induction program held in assembly Tuesday at Hamlin High School. New members inducted were Linda Legan, Mike Rountree, seniors; June Hill, Margaret Johnson, Helen Moore, Robert Moore, Shirley Peace, Revonna Kay Robertson, Randy Smith and Geneva Ward, juniors.

N. H. S. members made brief talks on the meaning of the honor society symbols, and requirements for membership. Jimmy Hawkins spoke on the four goals, Sheila Stone, character; Judy Jenkins, scholarship; Tommy Ferguson on leadership and Glenda Hudspeth, service. Jan Albritton gave the pledge.

In speaking to the high school students, Mrs. Cary, a former N. H. S. member, said "We all cannot earn Ph. D.'s but we can all earn Ph. D.'s in Character."

Cecil Sellers To Preside At Dealers Meeting

The National Livestock Dealers Association will hold their 1965 convention in the Cosmopolitan Hotel in Denver, Colo. Dec. 10 and 11, according to the president, Cecil Sellers of Hamlin.

Prior to this year, their annual convention has been held in conjunction with the National Livestock Auction Markets Association. This is the dealer's first convention on their own.

The association was organized in Kansas City, Mo. in August, 1959, and consists of members from over thirty states.

Visitors in the home of Mr. and Mrs. W. C. Eoff and Clifford through the Thanksgiving holidays were Mr. and Mrs. Earnest Henderson of Irving; Mr. and Mrs. Bobby Henderson, Charlie and Cindy of Dallas; Mr. and Mrs. Claude A. Smith and C. T. of Abilene and Tom and Atwell Henderson of Noodle.

Mr. and W. C. Eoff visited relatives in Snyder Sunday afternoon.

Larry McCoy Makes 5-AA All District

Larry McCoy was the only Hamlin player to make the District 5-AA All District Team selected by the district coaches. Tommy Ferguson and Jesse Mendoza were selected for honorable mention.

Ballinger and Winters dominated the 29 man squad with Ballinger placing 10 men and Winters seven. Anson followed with five. Fifteen boys were selected on the defensive team and 14 on the offensive unit.

Milford Wiley was the only unanimous selection and was named to both the offensive team and the defensive team.

McCoy was selected as all district defensive tackle and Ferguson was mentioned at offensive end. Mendoza received mention at offensive guard.

Agent Sites Need Of Additional Nitrogen on Grain

Weather conditions in Jones County have been favorable for early and abundant growth of small grains. As a result, the length of the grazing period has been extended and greater amounts of forage will be removed.

County Agent, Kirby Clayton, reminds producers that this has and will result in the removal of larger amounts of available plant nutrients from the soil than in more normal years.

The county agent encourages small grain producers to consider the need of additional nitrogen to assure good grain yields. Such applications should be made in February or March.

Applications of 30 to 40 pounds of nitrogen (N) in early spring should result in substantial increases in grain yield. With adequate moisture this increase could be 10 or more bushels per acre.

"Such increases would represent a 300 to 400 percent return on the investment for additional nitrogen," concludes Clayton.

Bridge Winners

Harvey Elkins and Mrs. Jack Russell were first place winners in Tuesday evening's bridge play of Hamlin Duplicate Bridge Club. Mrs. R. H. McCurdy and Mrs. Elkins were second and Mrs. Preston Morrow of Rotan and Mrs. Floyd Briscoe were third.

Mr. and Mrs. Billy Jack Miles and their children, three girls and two boys, visited in Hamlin during Thanksgiving. Mr. and Mrs. Miles are living in Houston where he is a lawyer. He picked up the ex-student directory while here and reported that the family is building a cabin on the beach at Galveston. They plan to name the cabin "The Pied Piper." Mrs. Miles is the former Beverly Dyer of Stamford. They also visited in Stamford.

Plastic balls containing gift certificates worth upwards of \$2,000 will be dropped down Central Avenue during the Christmas season in Hamlin.

Santa Claus will arrive Saturday by airplane and then be brought through down town streets on the fire truck, officially opening the Yuletide season.

The plastic balls will also be dropped every Saturday

afternoon until Christmas and on Christmas Eve.

A large crowd is expected to be on hand for Santa's arrival and be showered with the gift laden plastic balls. Gift certificates redeemable in Hamlin stores feature many values.

Following Santa's arrival, he will be in the BCD office to interview children. A photographer will be on hand for those who wish to have color

pictures made with Santa. Santa will be in town every Saturday before Christmas and on Christmas Eve.

Decorations in the business division in the Christmas Decorating Contest will be judged and a traveling trophy will be given to the first choice. Places two through four will receive ribbons.

The home decorations will be judged in three divisions:

best overall, best window and best door.

The prizes are as follows: Overall—first, ladies' 17-jewel wrist watch, second, cosmetics, valued at \$10.95; third, \$10 gift certificate. Window—first, electric blanket; second, \$10 gift certificate, third, \$5 bath powder set. Door—\$19.08 paint; second, \$10 gift certificate; third, set of covered plastic bowls.

Judging will be the responsibility of the Hamlin Garden Club, with Mrs. LaFoy Patterson president. She will be assisted by a special committee, Mrs. John Ed Day and Mrs. R. D. Moore.

Judges will be out-of-town accredited flower show judges.

Entry blanks may be secured at the office of the Hamlin BCD office. Entries will be judged at 7 p.m. Dec. 16.

School Receives Approval for Federal Funds to Aid Reading

The Hamlin Public Schools has been approved by the Texas Education Agency to receive federal funds to aid students who are behind in reading. Notice of approval was received last week by Supt. C. F. Cook.

The Title I application was approved in the amount of \$25,759.50. The funds were made available to expand and improve elementary and secondary school programs for educationally deprived children in low-income areas. According to the 1960 census, the Hamlin Scholols have 165 children from low income families, less than \$2,000 per year.

Although low-income identifies the attendance area to be served and determines the number of children to be served, educational deprivation determines who is to participate in the reading project.

The children selected for the program will receive special teaching in reading one hour each day.

In a survey made by principals and teachers it was determined that there are 175 children who are from one to two years behind in reading in the first five grades of Hamlin schools.

The children selected for the program will receive special teaching in reading one hour each day.

OLD GLORY...

By Judy White
Several people dropped in at the home of Mrs. Katie Gerloff last Sunday to honor her on her birthday. Those who called were her sister, Mrs. Pauline Fuqua of Stamford, also Misses, Charlie Letz, W. G. Wienke, Ben Klump and Tillie Dippel.

Kenneth Spitzer, student at West Texas State in Canyon spent the weekend here with his parents, Mr. and Mrs. Garrett Spitzer.

Nancy Vahlenkamp, student at Navarro Junior College in Corsicana, spent the Thanksgiving holidays here with her parents and brother, Mr. and Mrs. Herbert Vahlenkamp and Marvin. Linda Beachle of Kingston, New York, and a student at Navarro Junior College, was also here as a houseguest of the Vahlenkamps.

Mr. and Mrs. L. B. Boles are the proud grandparents of a new granddaughter. She is the daughter of Mr. and Mrs. Bob-

by Dean Boles of Cooper, Texas. The young lady was born Nov. 29, and her name is Karen Janette. Mr. and Mrs. Boles have six grandsons, this is their first granddaughter.

Mr. and Mrs. H. L. Boles and children spent Thanksgiving holidays in Winsboro visiting her parents, Mr. and Mrs. Sparks, and other relatives and friends. Several others from here were also down there to hunt deer in the Winsboro and Tyler area. They were Tom Pritchard, Thomas Letz, Jerry Johnston, Carlton Pierce and Jimmy Cox.

Mr. and Mrs. L. B. Boles visited their daughter and family, the Tommy Kings in Denton last weekend.

Mr. and Mrs. Kuno H. Mischer had the following relatives as guests in their home for Thanksgiving dinner: Mrs. Tatie Arnold, Janice and Judy, Mr. and Mrs. Darrell Porter and sons, Greg and Toby, Teresa Voyles, Mrs. Ida Wolsch, and Jerry Rainwater, all of Lubbock; Mr. and Mrs. Paul Tabb, Janet and Robert of Odessa; Mrs. Herman Mischer, Mrs. Edd Mischer, Randy Burson, Mark Burson, all of Abilene; Mrs. Loudell Davis and Derrell of Haskell; Mr. and Mrs. Douglas Davis of Dallas, Mr. and Mrs. Pete Elliott of Arlington; Mr. and Mrs. Allen Letz, Danny Steve and Dale, and Mr. and Mrs. Herbert Klump.

Mr. and Mrs. Sam Cox of Austin are parents of a son, John Edgar, born Nov. 13, weighing 8 lbs. Mr. and Mrs. E. H. Diers are the maternal grandparents. He has a sister, Theresa, age 14 months.

Mr. and Mrs. Thomas Letz of Lubbock spent the Thanksgiving weekend here visiting their parents, Mr. and Mrs. Charlie Letz and Mr. and Mrs. Carlton Pierce. Thomas is a student at Texas Tech.

Linda Gholson, student at Odessa College, spent the weekend here with her parents, Mr. and Mrs. J. C. Gholson.

Mr. and Mrs. John McCown

and children of Knox City spent Thanksgiving day here with her parents, Mr. and Mrs. Adilbert Sutor.

Mrs. Adele Duensing spent the Thanksgiving weekend in Abilene visiting with her daughter and family, the Charles Goddards.

Major and Mrs. Glendon Johnson, and children from Wichita Falls, visited here last weekend in the home of his parents, the B. R. Johnsons.

Billie Ann Vahlenkamp, a student at North Texas University in Denton, and Melvin Vahlenkamp of Fort Worth spent the weekend visiting their parents, Mr. and Mrs. W. H. Vahlenkamp.

Mr. and Mrs. Louis Spitzer have returned home after spending several days hunting deer near Fredricksburg.

Roy Wienke of Lubbock spent several days here last week visiting his mother, Mrs. W. G. Wienke.

Mrs. Katie Gerloff and Mrs. Emma Gerloff spent Thanksgiving Day in Odessa with their son and grandson, respectively, and his wife, Mr. and Mrs. Jack Gerloff.

Rhonda and Billie Jo Baitz spent the weekend in Odessa visiting their sister and family, Mr. and Mrs. David Epley and sons.

Stanley Diers, a student at North Texas University in Denton, and Charles Diers, a student at Southwest Texas State in San Marcos spent the Thanksgiving holidays here visiting their parents, Mr. and Mrs. E. H. Diers. Mark Sanford of Houston, also a student at North Texas University, was a houseguest in the Diers home over the weekend.

Mr. and Mrs. Paul Tabb and children of Odessa and Mr. and Mrs. Pete Elliott of Arlington spent the weekend here visiting Mrs. Tabb's and Mrs. Elliott's parents, Mr. and Mrs. Herbert Klump, and other friends and relatives.

Pauline Hunt Attends Institute

Pauline Hunt of Holiday Lodge attended the Nursing Home Institute held in Oklahoma City, Okla., Nov. 17-19. Purpose of the Institute was to assist administrators and supervising nurses and others with major responsibility in perfecting care of the long-term patient.

Mrs. Hunt received a certificate after completing the course on advanced administration-medical economics.

THE LIGHT

"Thy word is a lamp unto my feet, and a light unto my path."

The bible, God's word, has often been compared to a light, for it penetrates the darkness and reveals God to man. It is the light that leads man down life's pathway. For those who study it, it reveals not only the past, but also the future.

"The entrance of thy words giveth light; it giveth understanding..."

Attend church and hear God's leaders expound on His word.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

A 5-year/50,000-mile warranty* comes with every Chrysler.

It could be worth a lot when you sell.

The famous 5-year/50,000-mile warranty on important Chrysler engine and drive train parts is standard when you buy. And it can add a lot of value to your car when you sell.

That's Chrysler for you. Big value — when you buy, drive, and sell! We can get it going for you today. See us.

CHRYSLER '66

*CHRYSLER'S 5-YEAR/50,000-MILE WARRANTY WITH THIS COVERAGE: Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, without charge for required parts and labor, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1966 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

FAIRVIEW NEWS

By Mrs. Elmer Joiner

That long awaited freeze finally came Sunday night, how much it killed I can't report, not having been out, but it looks as if it might have killed most everything. The weather man from Stamford reported 28 degrees this morning and that is certainly freezing.

The greater part of the cotton is out and the land plowed but some that has been hand-pulled is still in the field, waiting for a freeze for all of it to open. Since there were late rains, there are lots of green bolls, so it shouldn't be long now until it is all open and gathered. The crop has turned out so much better than the farmers ever hoped for, if we had received rain in the summer when it was needed so badly, no telling what it would have made, then on the other hand the bugs might have eaten it, so in cotton farming you can't win for losing.

Rev. and Mrs. Leverett and children, Winson Gray, were all from our church that attended the workers conference in Stamford, at Calvary Baptist Church, last Tuesday night. They reported a very good meeting.

The newly organized W. M. U. of the rural churches, Fairview, Hanna and Neinda, met last Wednesday morning in the home of Mrs. Fred Rosenbaum, with eight women present. Nominations were submitted for officers, to be voted on at the next meeting, which will be on Wednesday night, Dec. 8, at Neinda when the brotherhood and W. M. U. will have a joint meeting. Mrs. Jerry Williams, of the Neinda church, was nominated as president. There can be more ladies at the night sessions, since so many of them work away from the home. Tuxedo has promised to be with us in our next meeting.

If anyone had almost forgotten what an old time Texas sand storm looked like, their memory was jogged up last Friday when one hit from the West, with part of the country west of here coming by. We heard of some that were thrilled over it, in talking to Mrs. R. C. Ritchey this morning, she said that her grandchildren, who were visiting from New Orleans, over the Thanksgiving holidays, were thrilled to death that they could go home and tell their friends that they saw a West Texas sand storm. So the next time you are cleaning sand and mud about it, just remember that someone might have been glad to see it. Poor comfort, eh?

Mrs. Robert Rhoton had surgery last Monday for gallstones and we understand that she is recovering nicely.

Rev. and Mrs. Leverett, Kimmy, Kristy and Kelly, went to Abilene and had Thanksgiving with her mother, Mrs. Tanner and Larry.

Mr. and Mrs. Elmer Joiner ate Thanksgiving dinner with the Woodrow Goodwins.

Mr. and Mrs. Henry went to her sisters, Mr. and Mrs. Obie Wright, of the Rotan area, Thanksgiving day, where they met another sister, Mrs.

Stuart, of Aspermont. They had planned to have all of their family that remain, but owing to sickness the two brothers could not be there. There are only five living children out of nine and they were really looking forward to being together once more, but old age does catch up with us and our plans often go astray.

Mr. and Mrs. Marvin Johnson, Bruce and Barry, came down from Amarillo, to spend Thanksgiving with their folks. Mr. and Mrs. Winson Gray and Mr. and Mrs. M. S. Johnson. They all ate with the Johnsons Thanksgiving day. The Marvin Johnsons were driving a pretty new Pontiac.

Coming from Amarillo Saturday, were Dorothy Gray and her friend, Marion George, to spend the weekend with her parents, the Winson Grays. Dorothy and Mr. George were visitors in church Sunday.

Mr. and Mrs. Runt McCoy were Thursday night visitors of her parents Elmer Joiners.

Mr. and Mrs. Henry went to Rule, Saturday, to visit with a sister-in-law, Mrs. Mary Sue Henry, who had been ill but able to be out of the hospital.

Was good to see the Jack Wrights back in church Sunday morning, also Jimmy Holmes. Not having asked anyone we just presumed that the Flavil Holmes were having their dinner Sunday, since their children were there.

Mr. Holmes, who has been ill, is doing better, being able to be out again tending to his business.

Thanksgiving dinner visitors of Mr. and Mrs. Joe Ford, were Mr. and Mrs. Willard Herrington and boys, Abilene, Mr. and Mrs. H. L. Ford and their family.

The George Wainscotts had a big day Thursday. Mr. Wainscott had all four of his sisters with them. They are: Mr. and Mrs. Isach Holmes, Abernathy, Mr. and Mrs. John Brockman, Throckmorton, Mr. and Mrs. Ben Whitaker, Henrietta, and Ethel Allan, Hamlin. Also present were: Mr. and Mrs. Wayne Wainscott and children, Haskell, Mr. and Mrs. Jack Peters and children, Stamford, Mr. and Mrs. Nathan Stephens and children, Odessa. Others present was a daughter of the Brockman's, Mr. and Mrs. Herring, from Midland, Mr. and Mrs. Clarence Johnson, friends of the Holmes, from San Angelo, and Jeannie Goolsby, Hamlin.

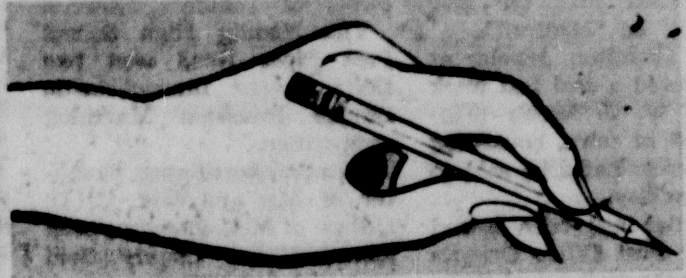

Little Kelly Leverett was on the ailing list Sunday, having a sore throat and fever.

Connie, Della and Maude Drake went to Romney, Sunday to spend the day with their cousins, Mr. and Mrs. Gil Walker. They report that they saw lots of peanuts and pecans down that way.

Mrs. Earnie Reusch, Ronnie and Roxa, visited with her parents, Mr. and Mrs. A. G. Hawkins, in Quanah over the weekend.

Visiting in the Richard Cox home last week were Mrs. Cox's parents, Mr. and Mrs. C. S. Myers and her brother, Charles Ray, all of Blum, Texas.

YEARS AGO...

FIFTY YEARS AGO

November 26, 1915

After a number of weeks of constant work the Texas Central Hotel was drawn to the new location last Saturday afternoon. Not often do we see a building as large as this one moved so far. Mr. T. F. Crawford with his ample equipment, though is able to handle the big jobs. It has been settled that the new name will be "Medford".

H. B. Hamilton, jeweler at Ezells closed a deal last week for the W. J. Webb place northwest of town, consisting of 160 acres. Later he sold to A. A. Hackley.

An order has been issued from the Post Office Department for the mail out of Hamlin, Anson, and Stamford, to be carried in autos, beginning Feb. 1, 1916.

R. J. Roland, Tax Assessor asks for re-election.

As a good index to the prosperity of our country we point to the splendid showings of our two banks. Individual deposits amount to nearly \$500,000 in the two banks. The bulk of this money belongs to the farmers of this country. The banks have proven loyal friends to the farmers in the past years and now the farmers are in such position, they might "turn the table" and ask Mr. Bank or Mr. Merchant if they need a little lift. It would be hard to find a farm house that is not surrounded with an abundance of fat poultry, and saucy Jersey cows. Every barn and pen is filled with fed, for their stock, which are already fat. Yet the old adage "when you have, then is the time to save."

Pipers are District 10 A Champs and will play Chilli-cothe in Hamlin for Bi District Dec. 6th.

About 300 attended the Truby Community Fair.

William T. Brown and Woodrow W. Wilson were enlisted into the United States Army and assigned to Fort Houston, Texas, and Air Corps, Puerto Rican Dept. respectively.

An ex-convict spoke on the streets of Hamlin Monday. What he said was worth hearing. It would have been well had every young man and young lady in Hamlin heard him.

He told why he went to prison. He said that he did not listen to the instructions of his father.

He told how horrible prison life was; that he had rather die than go there again. He suggested that the time to think about it is now, before you have to go, and live right. Ninety eight percent of the convicts are back in prison again within six months after they are set free, he said. Why? because they are marked, no one wants them around, no one will give them work.

Hamlin has a new Santa Fe agent. He is Mr. C. E. Ball of Knox City. Mr. Ball and family are living on Lake Drive. Mr. Odom, the farmer agent, is again cashier-operator.

Knabel Jewelry will celebrate their Seventh Anniversary in Hamlin with the formal opening of their new location on South Central.

Mrs. E. M. Wilson announced this week the sale of The Book Shop to Tommy Davis, owner of Tommy's Flowers.

The Hamlin High School Piped Piper Band won two firsts at the Interscholastic League Precision Marching competition.

Miss Carolyn Herron, daughter of Mr. and Mrs. C. D. Herron of McCaulley has been named Fisher County Gold Star girl for 1960.

Steve Feagan, nine year old son of Mr. and Mrs. Bill Feagan shot a deer last Thursday when he went hunting with his father and uncle.

Mr. and Mrs. W. H. Sellers celebrate their 50th anniversary with an open house Sunday in the home of their daughter, Mrs. Glen Williams.

Mr. and Mrs. C. P. Yates celebrate their 59th anniversary Thursday with Thanksgiving dinner in their home. The occasion also marked the 79th birthday for Mr. Yates.

Sherland Stone In Training Exercise

(FHTNC) Seaman Apprentice Sherland F. Stone, USN, son of Mr. Leaford Stone of 244 Avenue A, is participating in the U. S. First Fleet's training exercise "Range Bush" Nov. 18-24, while serving aboard the guided missile light cruiser USS Providence.

The week-long exercise off the coast of Southern California involves ships of the First Fleet and several naval air units, comprising "friendly" forces, in aerial reconnaissance, anti-air and anti-submarine warfare operations against the "enemy" air, surface and sub-surface units portrayed by other Navy units. The exercise will increase the combat readiness of the First Fleet.

McCaulley 4-H Has Electricity Demonstration

The McCaulley Community 4-H Club met Nov. 22 in the McCaulley Homemaking Cottage. Sue Smith, vice president, presided. Philip Cleveland and Jona Jeffrey led the club's motto, pledge and prayer.

The Fisher County 4-H Council report was given by Annette Cleveland.

Don Waddell, an employee of Midwest Electric Cooperative of Roby, gave a demonstration on electricity in use.

Thirteen members and two adult leaders, Mrs. A. A. Smith and Mrs. W. D. Cleveland, were present.

EASY WAY TO DRY LINE

Thread a needle with the end of your nylon fishing line, then run it through a sponge. Draw line through sponge and you got it really dry.

A fossil is defined as some evidence of plant or animal life preserved in rock.

Christmas Trees Can be Kept Safe and Fresh with Proper Care

Christmas trees can be kept green and fresh throughout the Yuletide Season if cared for properly, advises County Agent, Kirby Clayton.

The tree base should be placed in water and the tree stored in a cool, shady location as soon as possible after cutting or purchase, he says. Tree needles continue to lose water after the tree is cut. The higher the temperature surrounding the needles, the greater is the water loss and needle drop.

Clayton went on to say that water is still the best fire retardant for Christmas trees.

Research by the U. S. Forest Service's Forest Products Laboratory revealed that use of fire retardant chemicals on trees often did more harm than good.

Here are Clayton's suggestions for keeping the Christmas tree fresh and green. Make a fresh, angular cut at least an inch above the original cut just before the tree is put in the home. Then place the tree in a stand that will hold water and keep the water level in the container above the fresh cut.

Other safety suggestions include making sure the tree is supported so it will not fall; place the tree at least 10 feet away from the fireplaces, heat vents, TV sets, or other sources of heat; lighted candles or other open flames should be kept well away from the tree; and finally, electrical cords should be free from frayed portions or exposed wires and of adequate size to avoid overloading.

SUBSTITUTE SHEARPIN

Recently Organized High School Choir Elects Jan Albritton Prexy

By
Jane Ferguson
Helen Moore
Patsy Sauls

It was early one morning, and all through the school, Not a creature was stirring, except for Bill Keck and his early birds, the choir members. Three mornings every week the auditorium is awakened by about forty members of the recently organized High School choir. The choir meets every Tuesday, Thursday and Friday at 7:30 a.m., and would be happy for anyone who might be interested to come anytime. Recently elected choir officers are: Jan Albritton, president; Larry Braley, vice-president; Glenda Hudspeth, librarian; Margaret Johnson, reporter; Revonna Robertson and Reba Jackson were appointed pianists.

Friday an assembly was called for the induction of the new members of the National Honor Society, sponsored by Mrs. Charles Scott. The new members are: seniors; Linda Legan and Mike Roundtree, juniors; June Hill, Helen Moore, Geneva Inard, Revonna Kay Robertson, Robert Moore, Randy Smith and Margaret Ann Johnson. Membership is based upon these four qualities: character, scholarship, leadership and service. The bright part of the assembly was a fine talk given by Mrs. Robert Cary, Jr., who was a member of the organization when she was in Hamlin High School. Following the assembly a reception was held for the new members and their parents.

Winners of the wool contest: Revonna Robertson and Glenda Hudspeth will compete in the District 1 contest at Texas Tech on Saturday, Dec. 4. They will be accompanied by Mrs. Revis Robertson, Mrs. Joe Hudspeth, Martha Robertson and Mrs. Camille Simmons.

The Hamlin High School Band is now preparing music for their annual Christmas concert. Anyone who likes to hear a good band and good Christmas music is urged to come. Tickets soon will be on sale and they can be purchased from any band student.

All students are urged to attend a flag raising ceremony in front of the school at 8:20 a.m. on Mondays. Also on Wednesday mornings a devotional is held in the auditorium. Each session is well planned, so let's all try to attend. We will benefit from them.

We hope everyone had a nice Thanksgiving and now let's all have a merry Christmas. During the Christmas season let's all try to remember the real meaning of Christmas.

School spirit still predominates in Hamlin High School. We have several good basketball teams to back, so let's do a good job of it!

The Annual Staff recently appointed another freshman member to conclude the staff for this year. Appointed to the staff was Pat Perrin. Judy Jenkins, editor-in-chief; Mrs. Fowler, sponsor and their workers are nearing completion of the '66' Piper annual.

Many New Features In 1966-67 Texas Almanac Just Published

Maps of leading lakes and historical sites, new U. S. Census business data, Zip codes for all Texas post offices and many other new features are found in the 1966-67 Almanac, just published by The Dallas Morning News. Larger by 48 pages than the last edition, this issue marks the 125th anniversary of the establishment of the firm

which publishes The News and the 110th anniversary of the founding of the Texas Almanac. Dr. DeWitt Reddick, director, Schools of Communication and Journalism, University of Texas, is author of the history of "Texas Oldest Business Institution" in this edition.

Other exclusive features in the Texas Almanac listed by

editor Walter B. Moore include: Population estimates for Texas cities, towns and counties.

Individual County maps and information.

A guide to pronunciation of difficult Texas names.

Individual pages of economic information for each of Texas' 40 largest cities.

Twenty pages with scenes and maps of historic towns and counties.

Reproductions of work by leading Texas artists.

An expanded recreation

section, with color pictures and an introduction by Frank Tolbert of The News.

Election returns for 1964 and earlier years, including Texas' vote in all presidential and gubernatorial elections.

Complete text of the Texas Constitution, with amendments adopted through 1964 and descriptions of amendments submitted in 1965 and for 1966.

Agricultural information and chapters on plant life, weather, minerals, employment and labor, banking, wholesale and retail trade,

service industries, insurance and numerous other topics have been compiled with the assistance of hundreds of Texans who are authorities in the fields.

Often called "The Encyclopedia of Texas," the Texas Almanac is a standard reference in schools, public offices, business institutions and elsewhere. It also is widely used as a gift by individuals and business firms and a tourist guide. The publication is completely indexed and contains more than 450 illustrations.

As It Looks From Here . . .

Omar Burleson, M. C.
17th District, Texas

Washington, D. C. — For many years farmers have been on both horns of the dilemma.

It is a paradox that the farmer is producing more and enjoying it less.

To the farmer it seems at times the elements have been more curse than a blessing. But even adverse weather is being overcome to some degree by conservation measures, by planting at a certain time to lessen insect damage, and by other practices.

All this is well, but increased productivity has not been balanced by profit rewards for the farmer. Since 1950, the farmer's share of the dollar for which his food products have sold in the marketplace has declined by 10 percent. During the same period, the farmer's production costs, related to his gross income, has increased by 10 percent.

The decrease in the number of persons engaged in farm work is highly significant. During the last 30 years the average farm labor employment has been cut in half. In 1965, it is estimated that the number of persons engaged in farm work will be decreased by another 8 percent from the previous year.

The concern with these statistics is not limited to the farmer. It spills over into the political sphere and our social life.

Declining rural population emboldened the Supreme Court to pronounce its "one man one vote" rationale. Under this decision practically all the States were required to reapportion their legislatures. These changes, which are in effect in many States already, show resistance to efforts in the Congress to impose some reasonable limits on the Su-

premen Court's attempt to revamp the political structure of the United States.

There is now a threat to make the economic situation with agriculture even worse. This has to do with including farm labor under Minimum Wage Laws of the Fair Labor Standards Act.

The wage and hour control laws of the Federal Government were designed to meet conditions in industrial employment. Historically it has been acknowledged by the Congress that the nature of agriculture is so different that it is impractical to subject farm employment to the controls designed for industry.

Numerous factors give good reason to such a policy. In the first place, such employment is seasonal. Labor requirements multiply, particularly in the harvest of specific crops. No amount of management, planning and foresight can eliminate or even minimize the necessity for peaks and valleys in the curve of farm labor requirement. Furthermore, farm labor is such a nature that a substantial portion of it can be performed by unskilled or marginal workers.

These two factors alone are reason enough for most farm workers not to be attached to the nation's regular labor force. The records indicate that about half of those employed in farm work are employed for less than 25 days. Almost one-third or part-time workers.

The labor committee of the House of representatives has reported a bill which would subject a portion of farm labor to wage controls, making applicable to agriculture hours and wages which can only be applied with reason to industrial employment.

The imposition of wage and hour controls on agriculture will undoubtedly decrease the amount of employment and

STATE FAIR NOT FAR, "U-NO"

"U-No" Ferris' Fairest? He hopes to be the best when his friend here, John Riley, 15, brings the Hereford steer to the Junior Livestock Show October 19-23 at the 1965 State Fair of Texas in Dallas. John is the son of Mr. and Mrs. Tip Riley of Ferris and a Future Farmer in the Ferris Chapter. Looking on is Jo Ann Pugh, 18, daughter of Mr. and Mrs. Odie Pugh of Ferris. drive more and more farmers out of business. The margin of profit is already narrow, and a little bit more cost of production can break the camel's back.

By reason of a certain

Guaranteed wage and working hours, the industrial labor is able to buy more today on wages earned than ever before in history. The farmer's take in this increased plane of the economy is decreasing.

JUNIOR HIGH PLAYER OF WEEK AWARDS—Player of the Week Awards for the first two Junior High games have been awarded by Joe Youngblood, Athletic Director, right. Pictured left to right are Grady Allen, Eighth Grade Coach, Charlie Shira, for the Albany game, Jerry Braley, for the Merkel game;

Avoid Loss Through Proper Defoliation

Texas cotton farmers lose large sums of money every year through poor defoliation, says Kirby Clayton local county agent. He explains that many producers can improve their cotton grade by following a few simple procedures when defoliating.

Choosing the correct chemical should be the step in a defoliation program. Cotton harvest-aid chemicals are divided into two classes—defoliants and desiccants.

Defoliants cause mature leaves to shed in about seven to nine days and should be used on cotton that is to be mechanically picked. If cotton is to be stripped, a desiccant which causes all of the leaves

to dry and become crumbly should be used.

The Extension Service recommends any one of five good defoliants that are available on the market. Only one desiccant, arsenic acid, is recommended under normal conditions. Makers of penta, did not ask for a label for 1965.

Defoliation should not be started until cotton has reached proper stages of maturity. Clayton stresses. Defoliants can be safely applied when 60 percent or more of the bolls are open. Desiccants should not be applied unless 75 percent of the bolls are open under dryland conditions and 80 percent open on irrigated cotton.

Plants are considered suit-

able mature if the youngest bolls cannot be dented by pressure between the thumb and forefinger or cannot easily be cut through with a sharp knife.

Through coverage of all leaves is essential to a good defoliation program. Therefore, spray tanks, pumps, lines and nozzles should be cleaned to remove sticky residue left by liquid insecticides. Extreme caution should be taken to see that every nozzle on the boom or plane is putting out proper amounts of spray.

Defoliate only enough acreage to stay a head of harvesting. If a second application is required in unusually rank cotton, use a chemical with a different active ingredient to stay within a safe residue tol-

erance. Avoid using any defoliant that is not labeled as to exact chemical content.

Consider carefully all weather information such as dew and humidity forecasts, temperature, wind velocity and rainfall.

Help Your Child Like School
School days have come. Are they important? Will you see that your child loves to go to

school? If he does not, will you try to inspire him with love for it? Be certain that he goes with "shining morning face" instead of dragging unwilling feet. It is easy.

Get acquainted with his teacher. Learn who are his companions. Take an interest both in his studies and amusements.

Keep ever before him the greater efficiency of the man with an education. Point out to him the delight of knowing things.

Emphasize the idea of "work when you work and play when you play," for wise playing is just as important to a child as his work. For it will develop him physically while teaching countless lessons that come only from human contact.

for a Better Tomorrow

Working, learning to sew ... Now, something simple is being prepared and soon her own dresses, and in the future, clothing for her own family. Training is important in the lives of our children.

Spiritual training is a must in the lives of our young ones.

"I raise up a child in the way he should go; and when he is old, he will not depart from it."

Take your children to church Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin. - Battle lines are forming! In the political arena, that is.

Big gloves already have been laced on the champ vote-getter -- Gov. John Connally. He's in the ring and squared away -- ready to battle any challenger. Question now is -- will he win by default? It's possible. He has a record few will challenge.

Very likely there will be a free-for-all in most other races. Texas' second highest state office could be an exception. There Preston Smith holds forth in rather firm command as Lt. Governor.

Popular young Waggoner Carr already has proclaimed his interest in becoming U. S. Senator and is agilely dancing around the ring readying for the first sign of Democratic opposition to Republican John Tower's post. This may come from Congressman Jim Wright who is skipping rope to get in shape for something bigger. But so far he hasn't entered any ring.

Secretary of State Crawford Martin has set up his training camp for Carr's to-be-vacated post as Attorney General of Texas. Most likely he will have Connally's blessing, since he was the Governor's appointee as Secretary.

State Sen. Franklin Spears of San Antonio is trying to decide whether he wants to take on Martin. Other possible candidates for Attorney General are Former Sen. Frank Owens of El Paso, Sen. Gallo-

way Calhoun of Tyler, and Harris County District Atty. Frank Briscoe.

U. S. Sen. John Tower told Austin reporters that Republicans will concentrate their statewide efforts on the senate race in 1966, and will field no active candidate for governor. In reference to his own race and local legislative and congressional contest, Tower predicted a good year for the GOP.

Announcements this early could mean one of two things: a burned out field by '66 -- or several Battles of the century.

As opponents warm up, only time will tell.

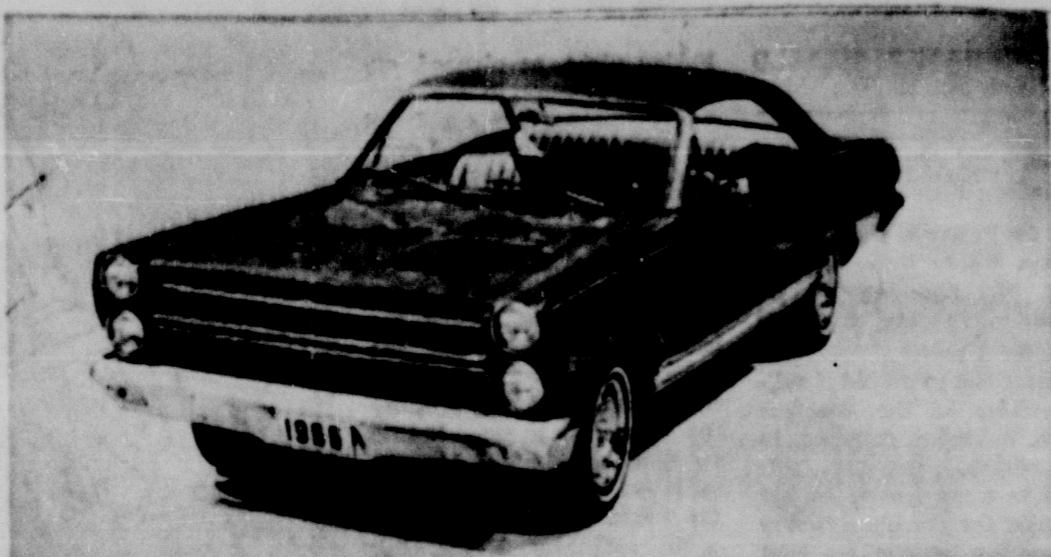

From the Capital Dome and the focal point of all races -- Austin -- it looks right interesting.

Meanwhile, better buy yourself a ticket while still available at the box office. . . er, poll tax headquarters.

Austin. Texas voters, by decisively defeating a proposed constitutional amendment to increase the number of State Senate seats from 31 to 39, removed one possible reason for a special legislative session this year.

Federal courts control two other legal issues which could require lawmakers to come back to the capital for another 1965 powwow.

Since no senatorial districting act had been passed at the regular session, adoption of the amendment would have meant a virtually automatic special session call to decide how the eight additional Senate dis-

Completely restyled for 1966, Comet features a new larger body, a host of luxury appointments and a wider choice of engines. Overall length has been increased by eight inches and wheelbase is two inches greater at 116 inches. Two Mercury 390-cubic-inch engines are added to the power offerings. Sportiest of the new Comets is the Cyclone GT model (above) which offers a high performance 335-horsepower V-8 engine and a unique fiberglass hood with simulated air scoops. The 1966 Comet goes on sale October 1.

Mercury for 1966 again moves forward as a premium car in the medium-price field with tasteful styling changes, new engines and important additions to the option list, including disc brakes. Standard in top-of-the-line Park Lane series (above) and optional in other Mercurys is an exclusive new 410-cubic-inch 330-horsepower engine. The new Mercurys will go on sale in dealer showrooms October 1.

tricts were to be divided.

Proponents of the defeated proposal promptly tagged its rejection a lost for rural areas.

Eight metropolitan counties accounted for enough votes to block it in the light-turnout, September 7, election. But some rural areas voted against it, too.

Thirteen incumbent Senators will be jammed together into six districts under court-ordered senatorial redistricting. The amendment, if adopted, would have given all incumbents a chance to retain their jobs. Now, at least seven Senate veterans are certain to be eliminated at the polls next year.

Suits challenging Congressional and House of Representatives redistricting by the 59th Legislature and attacking constitutionality of the poll tax still could require a special session.

Congressional redistricting case was heard by a special three-judge federal court at Houston last Thursday. Same court also conducted a pre-trial hearing on the legislative re-apportionment suit. A ruling that either act is unconstitutional conceivable could carry with it a mandate that lawmakers redo their work before the filing deadline for the 1966 election.

If the poll tax is outlawed, Texas will be left without a voter registration act. That is, unless the federal court, which will hear the case here in mid-November, decrees some sort of emergency plan for 1966 elections.

Atty. Gen. Waggoner Carr, federal government's suit to continuing his opposition to the federal government's suit to ban the poll tax, last week fired off letters to all congressmen asking them for evidence to support their findings (in 1965 Voting Rights Act) that the Texas levy violates constitutional rights.

Federal Education Aid Plan. State Board of Education has accepted administrative ground rules for participating in new U. S. elementary-secondary education act which will bring about \$60, 000,000 in federal funds to public schools.

At the same time the board approved proposals to triple Texas' migrant school pilot program to reach 18,000 children in 40 districts. It also set up special programs for at least 3,000 adult migrants.

Children whose families follow the crops will get intensive, six-months schooling. Adults participating will receive basic education and training in fundamental home-making and occupational skills. Board named Ben R. Howell of El Paso its vice chairman to replace Emerson Stone of Jacksonville who resigned. Successor to Stone, who represented Anderson, Cherokee, Grimes, Henderson, Houston, Madison, Montgomery, Nacog-

doches, Polk, San Jacinto, Trinity and Walker Counties on the board, will be appointed at the agency's November meeting.

Forty-five districts were warned of accreditation violations. Eagle Pass district was officially notified it will lose accreditation next July 1 unless substantial progress is made. Eagle Pass Supt. J. I. James assured board the district already is hastening to correct shortcomings.

State Surplus Growing State government started its new fiscal year on September 1 solidly in black. Surplus was \$136,800,000, according to comptroller Robert S. Calvert. This is nearly \$40,000,000 more than previously estimated.

State revenue for the fiscal year was \$1,800,000,000-\$150,000,000 more than the year before.

Water Suit Filed Altus, Okla., attacked constitutionality of new Texas law prohibiting transportation of under-

ground water to another state in federal court suit filed here. City had approved \$2,000,000 in bonds to develop underground water supply on the Texas side of the Red River before the Legislature passed a law to ban pipelining water across the state boundary. Cotton Agreement Agriculture Commissioner John White and Mexican agriculture officials Undersecretary of Agriculture Richard Acosta and Benjamin, supervisor of the National Cotton Program of Mexico agreed to come to an agreement on international pest control effecting cotton.

Officials conferred in Austin after White's earlier announcement that the Texas border would be closed to Mexican cotton on September 25. Close order which has since been rescinded caused Mexican officials to prompt immediate attention to plant insect and disease problems.

Further meetings will be held in Matamoros and Tamaulipas, Mexico, and in Brownsville, Texas, in October, White announced.

Airport Aid Okayed Texas Aeronautics Commission has committed itself on two-thirds of the \$200,000 in the Texas Airport Aid Program authorized by the 59th Legislature.

State grants to aid in construction or improvement of urgently needed airports were made to Cameron for \$10,000; Hearne, \$2,000; Jacksboro, \$10,000; Kountze, \$7,500; Clarksville, \$12,000; Floydada, \$12,000 and Post, \$12,000.

Last month the Commission authorized grants to Comanche, Gatesville, Hallettsville, Lampasas, Pinedale and Caldwell.

Chairman Shelby Kritzer of Amerillo said more hearings will be held by the Commission when new applications are received. Deadline for community airport aid requests is October 31.

FAIRVIEW NEWS

By Mrs. Elmer Joiner

We have no gripes weather-wise this Monday Morning, for the past week has been so pleasant, we even wager that most of the heaters were brought out of storage and burned some. After the last two weeks of summer heat, the cooler weather has really been appreciated.

Mrs. Kenneth Leverett and children have all been sick with colds, but Kimmy and Kristy were recovered enough Sunday, to be in church with their Daddy.

Since Mrs. Leverett was not able to come and play for us, Carol Joe Simpson was kind enough to come out from town and play the piano, for both services Sunday.

Mr. and Mrs. Henry were absent Sunday, having gone to San Angelo Friday, to see a son, Mr. and Mrs. Clois Henry, and children. They got home in time to come to church Sunday night.

Elmer Joiner came home from the hospital Thursday morning. Since this was his first time to be in the hospital I believe he almost enjoyed all the rest and company he had. Friday morning, Connie Drake visited with him and Friday afternoon, Mel Jones came to see him. Mr. and Mrs. Ford had visited Thursday afternoon, then Sunday afternoon. Mr. and Mrs. George Wainwright came, so he may want to get sick again to have company again. He is recovered and back on the tractor this Monday morning.

Those that will have cotton hand pulled will start gathering this week, but since there are not any young bolls on the cotton, owing to the hot, dry, late summer, most of the farmers will defoliate soon and machine harvest their cotton. Some areas, lucky enough to receive some late showers, are not ready to defoliate, but most of it is about at that stage.

Mr. and Mrs. Jack Gray's granddaughter, Darla Hilton, who spent quite a bit of time with them while growing up, was recently married. We did not learn any details but "heard" that she married a teacher in State University where she was attending school. We hope this is right but if it isn't we stand to be corrected.

Mr. and Mrs. Walter Goodwin, of Odessa, spent Sunday night with his brother, Mr. and Mrs. Woodrow Goodwin and Linda.

Mr. and Mrs. Flavil Holmes

went to Peacock, Sunday afternoon, where they met her sister, Mr. and Mrs. R. O. Clements, in his mother's home, for a visit.

Since I had to attend a called meeting of the Womans Forum, Saturday morning, in the library, thought this would be a good place to put in a plug for the library. Any one passing by can see that the building is in a bad shape, so the building committee of the Forum is undertaking to raise enough money to have it repaired. So if you are approached for a donation, don't turn and run, give them some thing, for remember the library is an asset to our town.

Sunday afternoon was Fairview's time to have the services at the Holiday Lodge and we always enjoy it so much. Not so many of our folks were there, but a good crowd of the residents attended, making us very happy.

Mr. and Mrs. H. L. Ford and family, ate lunch Sunday with his parent's, Mr. and Mrs. Joe Ford.

Mr. and Mrs. Ford's son, Joe E. of Hamlin, had a shocking experience Friday, when he was following the truck driver that died with a heart attack. He had just delivered some posts at Mr. Ford's place and he was following him back to town, when he had the attack and was dead on arrival at the hospital. He did not live here.

The family night came off

Friday night, as planned, except that owing to the cold, damp weather we could not meet outdoors at the Leveretts, besides Mrs. Leverett and children were sick. So the place was moved to the Goodwin's garage, making an ideal place, as they had a stove burning and we cooked the hamburgers outside on the grills. They were delicious cooked out, as was proven by the amount eaten. Potato chips and all kinds of desserts, with tea and coffee, finished the menu.

Mr. and Mrs. Doyal Bills and little daughters, returned home to Houston, Saturday, after having spent two weeks vacation here and on the plains with his folks.

Mrs. Henry was a Wednesday afternoon visitor of Mrs. Fred Rosenbaum.

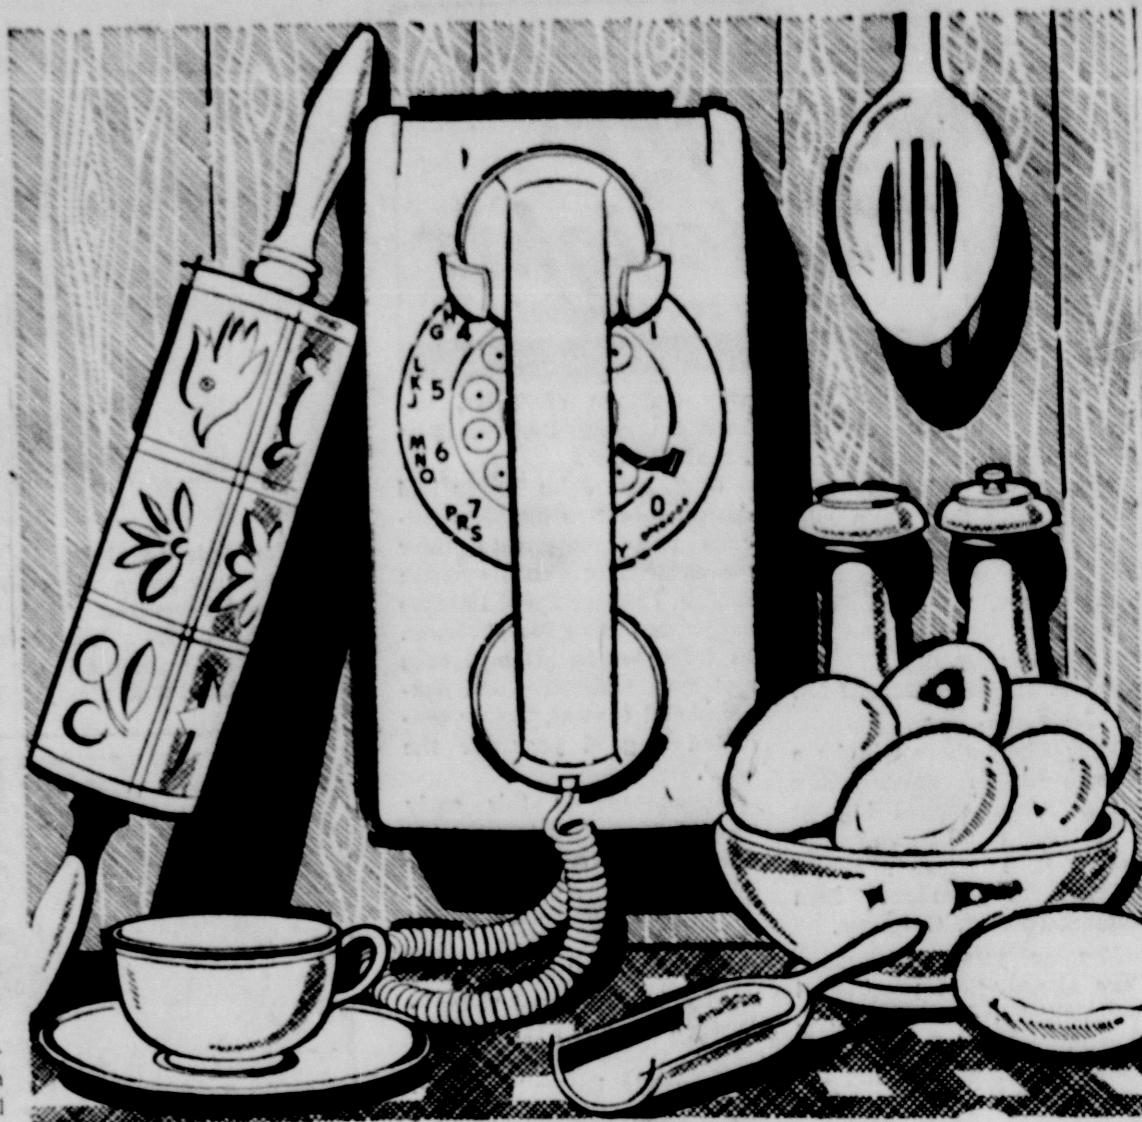

Mr. and Mrs. R. M. Jones invited several of their friends to their home, Saturday night, for a 42 party. Those attending were, Mr. and Mrs. Fred Rosenbaum, Mr. and Mrs. H. L. Ford and Diane, Mr. Irby Weaver, Mr. and Mrs. Runt McCoy and Mr. and Mrs. Elmer Joiner.

Melinda Wright spent Friday night and Saturday with her grand parents, the Flavil Holmes. Melinda is in school in Abilene this year. It is her first year.

Dramatic styling — including a new 2-door hardtop roof line — is shown in these photos of the Ford Galaxie 500 2-door hardtop, top, and the Ford Galaxie 500 7-Litre 2-door hardtop, bottom. The "7-Litre" is an entirely new series available in 2-door hardtop and convertible models. It features a new 428-cu.in. V-8 engine and front-wheel power disc brakes as standard equipment. Both the disc brakes and the new 428-cu.in. engine are optional on all other Fords. Other features include unique 7-Litre identification, distinctively styled steel wheelcovers, and special "dual accent paint stripes." All 1966 Fords will be in Ford dealer showrooms October 1.

There are two ways to get into the rear of every 1966 Ford station wagon — over the tailgate or through the door. Ford's latest station wagon innovation is a dual-action tailgate. Open it with the center latch, left, and it's a tailgate. Open it with the handle, right, and it's a door. Illustrated on the 1966 Ford Country Squire Wagon, top, the new feature is standard on all Ford and Fairlane station wagons and is optional on Falcon wagons. The door feature permits easy passenger entry and provides ready access to a lockable storage compartment, while the tailgate is available for hauling or loading cargo. Earlier innovations which pushed Ford to station wagon sales leadership in 1965 — dual center-facing rear seats and built-in rear window air deflectors — are retained for 1966. All 1966 Fords will be in Ford dealer showrooms October 1.

Soil Conservation Service Doing Terracing Work

Garth McCallum with the Soil Conservation Service assisting the California Creek Soil Conservation District reports that terracing work is continuing in the Hamlin Area. Terraces have been recently completed on the farms of W. C. "Bill" Matchett 33,300 feet, and W. L. Boyd estate, Cecil Brown Operator 27,768 feet. Tarlton Willingham has

completed brush control on 429 acres of land.

The Soil Conservation Service has received 3 application for participation in the Great Plains Conservation Program. The application were submitted by Virgil Steele, J. K. French and Elgin and Coyt Smith. These application are for the construction of parallel terraces.

(these District cooperators all have a Hamlin Address except Smith who lives at Tuxedo.)

Santa to Be Here Saturday

Plastic balls containing gift certificates worth upwards of \$2,000 will be dropped down Central Avenue during the Christmas season in Hamlin.

Santa Claus will arrive Saturday by airplane and then be brought through down town streets on the fire truck, officially opening the Yuletide season.

The plastic balls will also be dropped every Saturday

afternoon until Christmas and on Christmas Eve.

A large crowd is expected to be on hand for Santa's arrival and be showered with the gift laddened plastic balls. Gift certificates redeemable in Hamlin stores feature many values.

Following Santa's arrival, he will be in the BCD office to interview children. A photographer will be on hand for those who wish to have color

pictures made with Santa.

Santa will be in town every Saturday before Christmas and on Christmas Eve.

Decorations in the business division in the Christmas Decorating Contest will be judged and a traveling trophy will be given to the first choice. Places two through four will receive ribbons.

The home decorations will be judged in three divisions:

best overall, best window and best door.

The prizes are as follows: Overall—first, ladies' 17-jewel wrist watch, second, cosmetics, valued at \$10.95; third, \$10 gift certificate. Window—first, electric blanket; second, \$10 gift certificate; third, \$5 bath powder set. Door—\$19.08 paint; second, \$10 gift certificate; third, set of covered plastic bowls.

Judging will be the responsibility of the Hamlin Garden Club, with Mrs. LaFoy Patterson president. She will be assisted by a special committee, Mrs. John Ed Day and Mrs. R. D. Moore.

Judges will be out-of-town accredited flower show judges.

Entry blanks may be secured at the office of the Hamlin BCD office. Entries will be judged at 7 p.m. Dec. 16.

School Receives Approval for Federal Funds to Aid Reading

The Hamlin Public School has been approved by the Texas Education Agency to receive federal funds to aid students who are behind in reading. Notice of approval was received last week by Supt. C. F. Cook.

The Title I application was approved in the amount of \$25,759.50. The funds were made available to expand and improve elementary and secondary school programs for educationally deprived children in low-income areas. According to the 1960 census, the Hamlin Scholastic have 163 children from low income families, less than \$2,000 per year.

Although low-income identifies the attendance area to be served and determines the number of children to be served, educational deprivation determines who is to participate in the reading project.

In a survey made by principals and teachers it was determined that there are 175 children who are from one to two years behind in reading in the first five grades of Hamlin schools.

The children selected for the program will receive special teaching in reading one hour each day.

Assembly of God Church Revival To Start Sunday

Rev. Fred Robertson will begin a revival at the Assembly of God Church Sunday, Dec. 5.

Services will be at 7 p.m. each evening. Sunday services are to be at the regularly scheduled times.

Rev. J. C. Amburn is pastor.

Grazing of Sorghum Following Frost Warned Against

A light frost on sorghum or sorghum stubble regrowth may cause it to be a dangerous pasture for cattle. Sorghum plants under stress may have a tendency to build up prussic acid in the plant. Cattle can be killed by consuming only a small amount of this prussic acid, advises County Agent Kirby Clayton.

Sorghum plants or sorghum regrowth can be safely pastured within 10-14 days after the plant has been killed and there is no possibility of any regrowth from the crown of the plant. Most of the danger, says the county agent, comes from fields that have been partially killed, but on warm days make some regrowth.

Under normal conditions Sudangrass can be safely pastured. During the fall when the plant is stunted by light frost, there is a slight possibility of a build-up of prussic acid in the plant. This seldom happens, but when it does, cattle that pasture on Sudangrass can be lost.

Alfalfa should be completely dormant before pasturing in the fall. There are two reasons for this: (1) The fall growth should be left on as long as the plant is growing to store nutrients in the roots for the next season's growth. (2) As long as there is green succulent growth at the crown of the plant, there is more danger of bloat in cattle pasturing the alfalfa. After the plant is dormant there is much less likelihood of bloat, says the agent.

Larry McCoy Makes 5-AA All District

Larry McCoy was the only Hamlin player to make the District 5-AA All District Team selected by the district coaches, Tommy Ferguson and Jesse Mendoza were selected for honorable mention.

Ballinger and Winters dominated the 29 man squad with Ballinger placing 10 men and Winters seven. Anson followed with five. Fifteen boys were selected on the defensive team and 14 on the offensive unit.

Milford Wiley was the only unanimous selection and was named to both the offensive team and the defensive team. McCoy was selected as all district defensive tackle and Ferguson was mentioned at offensive end. Mendoza received mention at offensive guard.

Agent Sites Need Of Additional Nitrogen on Grain

Weather conditions in Jones County have been favorable for early and abundant growth of small grains. As a result, the length of the grazing period has been extended and greater amounts of forage will be removed.

County Agent, Kirby Clayton, reminds producers that this has and will result in the removal of larger amounts of available plant nutrients from the soil than in more normal years.

The county agent encourages small grain producers to consider the need of additional nitrogen to assure good grain yields. Such applications should be made in February or March.

Applications of 30 to 40 pounds of nitrogen (N) in early spring should result in substantial increases in grain yield. With adequate moisture this increase could be 10 or more bushels per acre.

"Such increases would represent a 300 to 400 percent return on the investment for additional nitrogen," concludes Clayton.

Bridge Winners
Harvey Elkins and Mrs. Jack Russell were first place winners in Tuesday evenings bridge play of Hamlin Duplicate Bridge Club. Mrs. R. H. McCurdy and Mrs. Elkins were second and Mrs. Preston Morrow of Rotan and Mrs. Floyd Briscoe were third.

Mr. and Mrs. Billy Jack Miles and their children, three girls and two boys, visited in Hamlin during Thanksgiving. Mr. and Mrs. Miles are living in Houston where he is a lawyer. He picked up the ex-student directory while here and reported that the family is building a cabin on the beach at Galveston. They plan to name the cabin "The Pied Piper." Mrs. Miles is the former Beverly Dyer of Stamford. They also visited in Stamford.

B&PW Club Bazaar Planned Saturday

The Business and Professional Women's Club will have their annual Christmas Bazaar in the office of the Hamlin Board of Community Development Saturday, Dec. 4, from 2 to 4 p.m.

Handmade gift items will be featured. The public is invited.

Clyde Flenniken has returned home from the Scottish Rites Hospital in Dallas. He had surgery there last Monday and returned home Thursday. He is getting along real well and is able to be out. He will go back for the casts to be changed next week and will be wearing casts for six weeks.

Basketball Tournament Gets Underway Today

The annual Hamlin Invitational Basketball Tournament gets underway here today (Thursday) with both the boys and girls division finals set for Saturday night. Play starts in the high school gymnasium at 12:45 p.m. with the feature games pitting the local girls against Jayton and the boys vying with the boys from Jayton.

Play Thursday in the boys division are Merkel vs. Knox City, 12:45; Hamlin B Team vs. Haskell, 3:30; Stamford vs. Aspermont, 6:15; Jayton vs. Hamlin 9:00.

In the girls division Thursday will be Knox City vs. Guthrie, 2:15; Aspermont vs. Hamlin B Team, 5:00; Jayton vs. Hamlin, 7:45. Coleman girls draw a first round bye.

The two Hamlin B teams will be replacing the Coahoma teams since the Coahoma football team is still in the Class A playoffs. The bye in the girls division resulted when Spaulding was cancelled out because of a conflict with their football banquet.

Friday's second round games start at 12:45 and run through 9:00. Saturday's action starts at 2 p.m. with the girls consolation followed by the boys consolation at 3:30. The girls third place will be decided at 5:00 and the boys at 6:30.

Finals for the girls will be played at 8:00 Saturday night and the boys will follow at 9:00. Tuesday night the Pipers and Piperettes will host Merkel.

Other teams in the tourney are: Haskell, Anson, Merkel, Roby, Aspermont and Trent.

On Monday the Eighth graders will host Jayton.

Here Monday night the local Junior High basketballers swept three game match with Aspermont. The seventh grade boys took the first game 45-30, the eighth grade girls downed Aspermont 38-18 and the eighth grade boys won the final 47-39.

Hamlin basketballers split a doubleheader at Avoca Tuesday night as the Pipers fell, 64-50 and the Piperettes won 52-48.

James Ledbetter was n.g.a for the Pipers with 16, followed by Jerry Stewart with 11. Judy Jenkins was high for the Piperettes with 24 points.

Mr. and Mrs. Leon Rodgers of Carlsbad, N. Mex., Freddie Lou Amerson of Salt Lake City, Utah, and Kenneth Rodgers from El Paso all spent the weekend with Mrs. W. E. Rodgers.

Happy Blue Birds Tour Herald Plant Tues. Afternoon

The Happy Blue Bird group of the second grade girls visited the Hamlin Herald plant Tuesday afternoon. They were shown the machinery used to produce the newspaper and the various phases of the operation were explained. Publisher Bob Craig demonstrated the Fairchild engraving equipment.

The group includes: Beckie Harmon, Sherrie Carter, Vickie Lee, Patti Ewing, Connie Deaton, Karen Lee, Jodelle Wilder, Patricia Moore, Debra Hollis, Connie Weatherman, Linda Walden, Debra Sue Jay, Norma Gann, Debbie Cary, Phyllis Green, Diane Johnson, Elaine Carlton, Lisa Kay Willingham, Vicki Lynn Bevan, Judy Elaine Wilcox, Sherry Covington, Cindy Leo, Sandra Walden, and adult leaders, Mrs. Raymond Walden, Mrs. Jack Lee and Mrs. Robert Jr.

They meet every Tuesday after school at the Hut.

Mrs. Joe Murff was taken home Friday from Hamlin Memorial Hospital where she had been a patient for several weeks.

Floyd Wilson, 77, Dies At Big Spring, Rites Held Monday

Floyd Y. Wilson, 77, resident of Hamlin for 52 years, died at Bennett House in Big Spring, after an illness of two years. He suffered a stroke. He died at 4:10 p.m. Sunday.

Services were held here Monday at First Methodist Church with the pastor, Rev. Royce Womack, officiating.

Born March 24, 1888, in Corsicana, he was the son of the late Mr. and Mrs. M. Y. Wilson.

He married Ruby Arnett in Hamlin in 1920. He was a retired merchant, member of the First Methodist Church and a WW I veteran.

Mrs. Wilson died in 1928. Also, a son, Roy Allen, preceded him in death.

Survivors include two brothers, Jack R. Wilson of Anson and Stanley P. Wilson of Abilene.

Pallbearers were A. Hudson, M. T. Hudson, Henry Jackson, Joe Ford, John Howard Jr. and Bonnie Bingham.

Ten H.H.S. Students Inducted Into National Honor Society

Mrs. Robert Cary, Jr. was the speaker for the National Honor Society induction program held in assembly Tuesday at Hamlin High School.

New members inducted were Linda Legan, Mike Rountree, seniors; June Hill, Margaret Johnson, Helen Moore, Robert Moore, Shirley Peace, Revonna Kay Robertson, Randy Smith and Geneva Ward, juniors.

N. H. S. members gave brief talks on the meaning of the honor society symbols, and requirements for membership. Jimmy Hawkins spoke on the four goals: Sheila Stone, character; Judy Jenkins, scholarship; Tommy Ferguson on leadership and Glenda Hudspeth, service. Jan

Cecil Sellers To Preside At Dealers Meeting

The National Livestock Dealers Association will hold their 1965 convention in the Cosmopolitan Hotel in Denver, Colo. Dec. 10 and 11, according to the president, Cecil Sellers of Hamlin.

Prior to this year, their annual convention has been held in conjunction with the National Livestock Auction Markets Association. This is the dealer's first convention on their own.

The association was organized in Kansas City, Mo. in August, 1959, and consists of members from over thirty states.

Visitors in the home of Mr. and Mrs. W. C. Eoff and Clifford through the Thanksgiving holidays were Mr. and Mrs. Earnest Henderson of Irving; Mr. and Mrs. Bobby Henderson, Charlie and Cindy of Dallas; Mr. and Mrs. Claude A. Smith and C. T. of Abilene and Tom and Atwell Henderson of Noodle.

Mr. and W. C. Eoff visited relatives in Snyder Sunday afternoon.

The Hamlin chapter of the Licensed Vocational Nurses Association was chartered Monday evening when the state president, Mrs. Marguerite H. Gailey, of San Angelo presented the charter to the local group. The meeting was held in the primary cafeteria.

In the absence of the president, Mrs. W. W. (Red) Wallace, Mrs. Gailey presented the charter for chapter 73 to the first vice president, Mrs. D. C. Andrews Sr. The state president also installed the officers and members of the committee.

Mrs. Cecil Brown is second vice president; Mrs. H. W. Higdon, secretary, and Mrs. A. J. Hallmark, treasurer.

The board of directors includes Mrs. L. V. Miller, Fred Teichelman, Lewis Woolf, Gus Travis and Clyde Huff.

The nominating committee with Mrs. C. Brown as chairman, consists of Mrs. Otha Brown, Eloise Reese, Bobby Crowley, J. W. Perryman and Earl Williams.

Mrs. R. W. Higdon, Miller and Travis are on the ways and means committee. On the program committee are Mrs. Teichelman, Woolf, Huff and Miller. Mrs. Andrews, Perryman and O. Brown make up the by-laws committee. Mrs. Hallmark, Travis and Woolf are on the membership committee.

The education committee are Mrs. Miller, Teichelman, Reese and Crowley.

Mrs. Huff, chairman, and Mrs. Andrews are in charge of publicity. The civil defense committee includes Mrs. Travis, Williams and Perryman.

The present membership includes 16 LVN's and nine provisional members (students).

Guests included Charles Absher, hospital manager; Mrs. Frank Logan, R. N., supervisor of nurses; Mrs. Arzell Voss, president of the Anson LVNA chapter; and Mrs. Carlton Willingham, a member of the Hendrick Hospital LVNA chapter in Abilene who plans to transfer into the local group; and Marsha Stewart who entertained with piano selections.

Students attending were Mrs. Nate Weatherman, D. W. Griffin and Bertha Bosse of Stamford.

Most of the LVN's have been members of the Anson chapter up to this time. This is the first time a chapter has been organized locally.

Refreshments were served. The Hamlin chapter will meet on the first Monday evening of each month. The Dec. 6 meeting will be held in the primary cafeteria at 7:30 p.m.

Mr. and Mrs. Marvin Carlton, Doug and Elaine visited during the Thanksgiving holidays in Wichita, Kansas, with Mr. Carlton's mother, Mrs. M. E. Carlton, and a brother,

OLD GLORY...

By Judy White
Several people dropped in at the home of Mrs. Katie Gerloff last Sunday to honor her on her birthday. Those who called were her sister, Mrs. Pauline Knaus of Stamford, also Mrs. Charlie Letz, W. G. Wienke, Ben Klump and Tibbe Dippel.

Kenneth Spitzer, student at West Texas State in Canyon spent the weekend here with his parents, Mr. and Mrs. Garrett Spitzer.

Nancy Vahlenkamp, student at Navarro Junior College in Corsicana, spent the Thanksgiving holidays here with her parents and brother, Mr. and Mrs. Herbert Vahlenkamp and Marvin. Linda Beachle of Kingston, New York, and a student at Navarro Junior College, was also here as a houseguest of the Vahlenkamps.

Mr. and Mrs. L. B. Boles are the proud grandparents of a new granddaughter. She is the daughter of Mr. and Mrs. Bob-

by Dean Boles of Cooper, Texas. The young lady was born Nov. 28, and her name is Karen Janette. Mr. and Mrs. Boles have six grandsons, this is their first granddaughter.

Mr. and Mrs. H. L. Boles and children spent Thanksgiving holidays in Winsboro visiting her parents, Mr. and Mrs. Sparks, and other relatives and friends. Several others from here were also down there to hunt deer in the Winsboro and Tyler area. They were Tom Pritchard, Thomas Letz, Jerry Johnston, Carlton Pierce and Jimmy Cox.

Mr. and Mrs. L. B. Boles visited their daughter and family, the Tommy Kings in Denton last weekend.

Mr. and Mrs. Kuno H. Mischer had the following relatives as guests in their home for Thanksgiving dinner: Mrs. Tacie Arnold, Janice and Judy, Mr. and Mrs. Darrell Porter and sons, Greg and Toby, Teresa Voyles, Mrs. Ida Wolsch, and Jerry Rainwater, all of Lubbock; Mr. and Mrs. Paul Tabb, Janet and Robert of Odessa; Mrs. Herman Mischer, Mrs. Edd Mischer, Randy Burson, Mark Burson, all of Abilene; Mrs. Louella Davis and Derrell of Haskell; Mr. and Mrs. Douglas Davis of Dallas, Mr. and Mrs. Pete Elliott of Arlington; Mr. and Mrs. Allen Letz, Danny Steve and Dale, and Mr. and Mrs. Herbert Klump.

Mr. and Mrs. Sam Cox of Austin are parents of a son, John Edgar, born Nov. 13, weighing 8 lbs. Mr. and Mrs. E. H. Diers are the maternal grandparents. He has a sister, Theresa, age 14 months.

Mr. and Mrs. Thomas Letz of Lubbock spent the Thanksgiving weekend here visiting their parents, Mr. and Mrs. Charlie Letz and Mr. and Mrs. Carlton Pierce. Thomas is a student at Texas Tech.

Linda Gholson, student at Odessa College, spent the weekend here with her parents, Mr. and Mrs. J. C. Gholson.

Mr. and Mrs. John McCown

and children of Knox City spent Thanksgiving day here with her parents, Mr. and Mrs. Adolbert Sabre.

Mrs. Achile Dudenising spent the Thanksgiving weekend in Abilene visiting with her daughter and family, the Charles Goddards.

Major and Mrs. Glendon Johnson, and children from Wichita Falls, visited here last weekend in the home of his parents, the B. R. Johnsons.

Billie Ann Vahlenkamp, a student at North Texas University in Denton, and Melvin Vahlenkamp of Fort Worth spent the weekend visiting their parents, Mr. and Mrs. W. H. Vahlenkamp.

Mr. and Mrs. Louis Spitzer have returned home after spending several days hunting deer near Fredricksburg.

Roy Wienke of Lubbock spent several days here last week visiting his mother, Mrs. W. G. Wienke.

Mrs. Katie Gerloff and Mrs. Emma Gerloff spent Thanksgiving Day in Odessa with their son and grandson, respectively, and his wife, Mr. and Mrs. Jack Gerloff.

Rhonda and Billie Jo Baitz spent the weekend in Odessa visiting their sister and family, Mr. and Mrs. David Epley and sons.

Stanley Diers, a student at North Texas University in Denton, and Charles Diers, a student at Southwest Texas State in San Marcos spent the Thanksgiving holidays here visiting their parents, Mr. and Mrs. E. H. Diers. Mark Sanford of Houston, also a student at North Texas University, was a houseguest in the Diers home over the weekend.

Mr. and Mrs. Paul Tabb and children of Odessa and Mr. and Mrs. Pete Elliott of Arlington spent the weekend here visiting Mrs. Tabb's and Mrs. Elliott's parents, Mr. and Mrs. Herbert Klump, and other friends and relatives.

Pauline Hunt Attends Institute

Pauline Hunt of Holiday Lodge attended the Nursing Home Institute held in Oklahoma City, Okla., Nov. 17-19. Purpose of the Institute was to assist administrators and supervising nurses and others with major responsibility in perfecting care of the long-term patient.

Mrs. Hunt received a certificate after completing the course on advanced administration-medical economics.

THE LIGHT

"Thy word is a lamp unto my feet, and a light unto my path."

The bible, God's word, has often been compared to a light, for it penetrates the darkness and reveals God to man. It is the light that leads man down life's pathway. For those who study it, it reveals not only the past, but also the future.

"The entrance of thy words giveth light; it giveth understanding..."

Attend church and hear God's leaders expound on His word.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

FAIRVIEW NEWS

By Mrs. Elmer Joiner
That long awaited freeze finally came Sunday night, how much it killed I can't report, not having been out, but it looks as if it might have killed most everything. The weather man from Stamford reported 28 degrees this morning and that is certainly freezing.

The greater part of the cotton is out and the land plowed but some that has been hand-pulled is still in the field, waiting for a freeze for all of it to open. Since there were late rains, there are lots of green bolls, so it shouldn't be long now until it is all open and gathered. The crop has turned out so much better than the farmers ever hoped for, if we had received rain in the summer when it was needed so badly, no telling what it would have made, then on the other hand the bugs might have eaten it, so in cotton farming you can't win for losing.

Rev. and Mrs. Leverett and children, Winslow Gray, were all from our church that attended the workers conference in Stamford, at Calvary Baptist Church, last Tuesday night. They reported a very good meeting.

The newly organized W. M. U. of the rural churches, Fairview, Hanna and Neinda, met last Wednesday morning in the home of Mrs. Fred Rosenbaum, with eight women present. Nominations were submitted for officers, to be voted on at the next meeting, which will be on Wednesday night, Dec. 8, at Neinda when the brotherhood and W. M. U. will have a joint meeting. Mrs. Jerry Williams, of the Neinda church, was nominated as president. There can be more ladies at the night sessions, since so many of them work away from the home. Tuxedo has promised to be with us in our next meeting.

If anyone had almost forgotten what an old time Texas sand storm looked like, their memory was jogged up last Friday when one hit from the West, with part of the country west of here coming by. We heard of some that were thrilled over it, in talking to Mrs. R. C. Ritchey this morning, she said that her grandchildren, who were visiting from New Orleans, over the Thanksgiving holidays, were thrilled to death that they could go home and tell their friends that they saw a West Texas sand storm. So the next time you are cleaning sand and mud about it, just remember that someone might have been glad to see it. Poor comfort, eh?

Mrs. Robert Rhoton had surgery last Monday for gallstones and we understand that she is recovering nicely.

Rev. and Mrs. Leverett, Kimmy, Kristy and Kelly, went to Abilene and had Thanksgiving with her mother, Mrs. Tanner and Larry.

Mr. and Mrs. Elmer Joiner ate Thanksgiving dinner with the Woodrow Goodwins.

Mr. and Mrs. Henry went to her sisters, Mr. and Mrs. Obie Wright, of the Rotan area, Thanksgiving day, where they met another sister, Mrs.

Stuart, of Aspermont. They had planned to have all of their family that remain, but owing to sickness the two brothers could not be there. There are only five living children out of nine and they were really looking forward to being together once more, but old age does catch up with us and our plans often go astray.

Mr. and Mrs. Marvin Johnson, Bruce and Barry, came down from Amarillo, to spend Thanksgiving with their folks. Mr. and Mrs. Winslow Gray and Mr. and Mrs. M. S. Johnson. They all ate with the Johnsons Thanksgiving day. The Marvin Johnsons were driving a pretty new Pontiac. Coming from Amarillo Saturday, were Dorothy Gray and her friend, Marion George, to spend the weekend with her parents, the Winslow Grays. Dorothy and Mr. George were visitors in church Sunday.

Mr. and Mrs. Runt McCoy were Thursday night visitors of her parents Elmer Joiners.

Mr. and Mrs. Henry went to Rule, Saturday, to visit with a sister-in-law, Mrs. Mary Sue Henry, who had been ill but able to be out of the hospital.

Was good to see the Jack Wrights back in church Sunday morning, also Jimmy Holmes. Not having asked anyone we just presumed that the Flavil Holmes were having their dinner Sunday, since their children were there.

Mr. Holmes, who has been ill, is doing better, being able to be out again tending to his business.

Thanksgiving dinner visitors of Mr. and Mrs. Joe Ford, were Mr. and Mrs. Willard Herrington and boys, Abilene, Mr. and Mrs. H. L. Ford and their family.

The George Wainscotts had a big day Thursday. Mr. Wainscott had all four of his sisters with them. They are: Mr. and Mrs. Isach Holmes, Abernathy, Mr. and Mrs. John Brockman, Throckmorton, Mr. and Mrs. Ben Whitaker, Henrietta, and Ethel Allan, rianan. Others present were: Mr. and Mrs. Wayne Wainscott and children, Haskell, Mr. and Mrs. Jack Peters and children, Stamford, Mr. and Mrs. Nathan Stephens and children, Odessa. Others present was a daughter of the Brockman's, Mr. and Mrs. Herring, from Midland, Mr. and Mrs. Clarence Johnson, friends of the Holmes, from San Angelo, and Jeannie Goolsby, Hamlin.

Little Kelly Leverett was on the ailing list Sunday, having a sore throat and fever.

Connie, Della and Maude Drake went to Romney, Sunday to spend the day with their cousins, Mr. and Mrs. Gil Walker. They report that they saw lots of peanuts and pecans down that way.

Mrs. Earnie Reusch, Ronnie and Roxa, visited with her parents, Mr. and Mrs. A. G. Hawkins, in Quanah over the weekend.

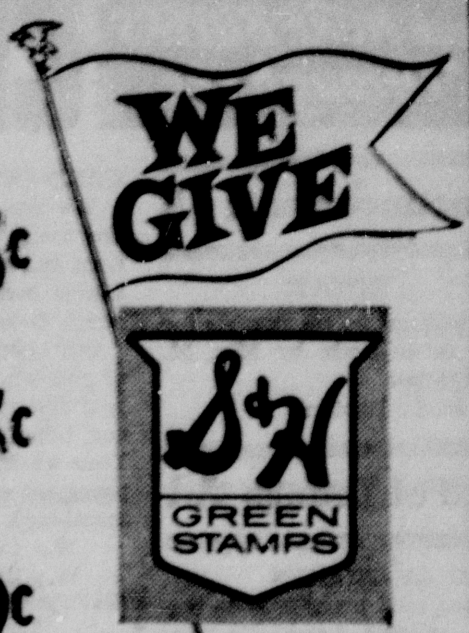

Visiting in the Richard Cox home last week were Mrs. Cox's parents, Mr. and Mrs. C. S. Myers and her brother, Charles Ray, all of Blum, Texas.

YEARS AGO...

FIFTY YEARS AGO

November 26, 1915

After a number of weeks of constant work the Texas Central Hotel was drawn to the new location last Saturday afternoon. Not often do we see a building as large as this one moved so far. Mr. T. F. Crawford with his ample equipment, though is able to handle the big jobs. It has been settled that the new name will be "Medford".

H. B. Hamilton, jeweler at Ezells closed a deal last week for the W. J. Webb place northwest of town, consisting of 160 acres. Later he sold to A. A. Hackley.

An order has been issued from the Post Office Department for the mail out of Hamlin, Anson, and Stamford, to be carried in autos, beginning Feb. 1, 1916.

R. J. Roland, Tax Assessor asks for re-election.

As a good index to the prosperity of our country we point to the splendid showings of our two banks. Individual deposits amount to nearly \$500,000 in the two banks. The bulk of this money belongs to the farmers of this country. The banks have proven loyal friends to the farmers in the past years and now the farmers are in such position, they might "turn the table" and ask Mr. Bank or Mr. Merchant if they need a little lift. It would be hard to find a farm house that is not surrounded with an abundance of fat poultry, and saucy Jersey cows. Every barn and pen is filled with fed, for their stock, which are already fat. Yet the old adage "when you have, then is the time to save."

Pipers are District 10 A Champs and will play Chilli-cothe in Hamlin for Bi District Dec. 6th.

About 300 attended the Truby Community Fair.

William T. Brown and Woodrow W. Wilson were enlisted into the United States Army and assigned to Fort Houston, Texas, and Air Corps, Puerto Rican Dept. respectively.

An ex-convict spoke on the streets of Hamlin Monday. What he said was worth hearing. It would have been well had every young man and young lady in Hamlin heard him.

He told why he went to prison. He said that he did not listen to the instructions of his father.

He told how horrible prison life was; that he had rather die than go there again. He suggested that the time to think about it is now, before you have to go, and live right. Ninety eight percent of the convicts are back in prison again within six months after they are set free, he said. Why? because they are marked, no one wants them around, no one will give them work.

Hamlin has a new Santa Fe agent. He is Mr. C. E. Ball of Knox City. Mr. Ball and family are living on Lake Drive, Mr. Odom, the farmer agent, is again cashier-operator.

Knabel Jewelry will celebrate their Seventh Anniversary in Hamlin with the formal opening of their new location on South Central.

Mrs. E. M. Wilson announced this week the sale of The Book Shop to Tommy Davis, owner of Tommy's Flowers.

The Hamlin High School Pied Piper Band won two firsts at the Interscholastic League Precision Marching competition.

Miss Carolyn Herron, daughter of Mr. and Mrs. C. D. Herron of McCaulley has been named Fisher County Gold Star girl for 1960.

Steve Feagan, nine year old son of Mr. and Mrs. Bill Feagan shot a deer last Thursday when he went hunting with his father and uncle.

Mr. and Mrs. W. H. Sellers celebrate their 50th anniversary with an open house Sunday in the home of their daughter, Mrs. Glen Williams.

Mr. and Mrs. C. P. Yates celebrate their 59th anniversary Thursday with Thanksgiving dinner in their home. The occasion also marked the 79th birthday for Mr. Yates.

Sherland Stone In Training Exercise

(FHTNC) — Seaman Apprentice Sherland F. Stone, USN, son of Mr. Leaford Stone of 244 Avenue A, is participating in the U. S. First Fleet's training exercise "Range Bush" Nov. 18-24, while serving aboard the guided missile light cruiser USS Providence.

The week-long exercise off the coast of Southern California involves ships of the First Fleet and several naval air units, comprising "friendly" forces, in aerial reconnaissance, anti-air and anti-submarine warfare operations against the "enemy" air, surface and sub-surface units portrayed by other Navy units. The exercise will increase the combat readiness of the First Fleet.

McCaulley 4-H Has Electricity Demonstration

The McCaulley Community 4-H Club met Nov. 22 in the McCaulley Homemaking Cottage. Sue Smith, vice president, presided. Philip Cleveland and Jona Jeffrey led the club's motto, pledge and prayer.

The Fisher County 4-H Council report was given by Annette Cleveland.

Don Waddell, an employee of Midwest Electric Cooperative of Roby, gave a demonstration on electricity in use. Thirteen members and two adult leaders, Mrs. A. A. Smith and Mrs. W. D. Cleveland, were present.

EASY WAY TO DRY LINE

Thread a needle with the end of your nylon fishing line, then run it through a sponge. Draw line through sponge and you got it really dry.

A fossil is defined as some evidence of plant or animal life preserved in rock.

Christmas Trees Can be Kept Safe and Fresh with Proper Care

Christmas trees can be kept green and fresh throughout the Yuletide Season if cared for properly, advises County Agent, Kirby Clayton.

The tree base should be placed in water and the tree stored in a cool, shady location as soon as possible after cutting or purchase, he says. Tree needles continue to lose water after the tree is cut. The higher the temperature surrounding the needles, the greater is the water loss and needle drop.

Clayton went on to say that water is still the best fire retardant for Christmas trees.

Research by the U. S. Forest Service's Forest Products Laboratory revealed that use of fire retardant chemicals on trees often did more harm than good.

Here are Clayton's suggestions for keeping the Christmas tree fresh and green. Make a fresh, angular cut at least an inch above the original cut just before the tree is put in the home. Then place the tree in a stand that will hold water and keep the water level in the container above the fresh cut.

Other safety suggestions include making sure the tree is supported so it will not fall; place the tree at least 10 feet away from the fireplaces, heat vents, TV sets, or other sources of heat, lighted candles or other open flames should be kept well away from the tree; and finally, electrical cords should be free from frayed portions or exposed wires and of adequate size to avoid overloading.

SUBSTITUTE SHEARPIN

Among the many items that can be used temporarily to replace a shear pin is a fish hook (or a couple of fish hooks).

Recently Organized High School Choir Elects Jan Albritton Prexy

By
Jane Ferguson
Helen Moore
Patsy Sauls

It was early one morning, And all through the school, Not a creature was stirring, except for Bill Keck and his early birds, the choir members. Three mornings every week the auditorium is awakened by about forty members of the recently organized High School choir. The choir meets every Tuesday, Thursday and Friday at 7:20 a.m., and would be happy for anyone who might be interested to come anytime. Recently elected choir officers are: Jan Albritton, president; Larry Bralley, vice-president; Glenda Hudspeth, librarian; Margaret Johnson, reporter; Revonna Robertson and Reba Jackson were appointed pianists.

Friday an assembly was called for the induction of the new members of the National Honor Society, sponsored by Mrs. Charles Scott. The new members are: seniors; Linda Legan and Mike Roundtree, juniors; June Hill, Helen Moore, Geneva Inard, Revonna Kay Robertson, Robert Moore, Randy Smith and Margaret Ann Johnson. Membership is based upon these four qualities: character, scholarship, leadership and service. The bright part of the assembly was a fine talk given by Mrs. Robert Cary, Jr., who was a member of the organization when she was in Hamlin High School. Following the assembly a reception was held for the new members and their parents.

Winners of the wool contest: Revonna Robertson and Glenda Hudspeth will compete in the District 1 contest at Texas Tech on Saturday, Dec. 4. They will be accompanied by Mrs. Revis Robertson, Mrs. Joe Hudspeth, Martha Robertson and Mrs. Camille Simmons.

The Hamlin High School Band is now preparing music for their annual Christmas concert. Anyone who likes to hear a good band and good Christmas music is urged to come. Tickets soon will be on sale and they can be purchased from any band student.

All students are urged to attend a flag raising ceremony in front of the school at 8:20 a.m. on Mondays. Also on Wednesday mornings a devotional is held in the auditorium. Each session is well planned, so let's all try to attend. We will benefit from them.

We hope everyone had a nice Thanksgiving and now let's all have a merry Christmas. During the Christmas season let's all try to remember the real meaning of Christmas.

School spirit still predominates in Hamlin High School. We have several good basketball teams to back, so let's do a good job of it!

The Annual Staff recently appointed another freshman member to conclude the staff for this year. Appointed to the staff was Pat Perrin. Judy Jenkins, editor-in-chief; Mrs. Fowler, sponsor and their workers are nearing completion of the '66' Piper annual.

Rites for Richard Youngblood Held Here Wednesday

Services for Richard Martin Youngblood, 6, were held here Wednesday, Nov. 24, at 2 p.m. in the Church of Christ. Richard died at his home Tuesday at 7:30 a.m.

Born Aug. 31, 1959, in Robstown, he was the son of Mr. and Mrs. Joe Youngblood, both teachers at Hamlin High School.

The family formerly lived in Abilene and had lived in Aspermont just prior to moving to Hamlin in June this year.

Services were conducted by Mr. Harry Tansil, minister, and Mr. Jim Strait, minister of the Church of Christ of Aspermont.

Survivors are his parents; one brother, Joey, 8, of the home; paternal grandparents, Mr. and Mrs. A. B. Youngblood of Abilene, maternal grandmother, Mrs. Sam Yates of Odem; two great-grandmothers, Mrs. J. P. Couch of Comanche, Mrs. Mary L. Tabb of Medford, Ore.; one uncle, Sam Yates of La Marque; three aunts, Mrs. Norman Payne of Holland, Mrs. O. A. Tally of Odem, Mrs. W. P. Grant of Corpus Christi.

Burial was in Hamlin East Cemetery. Pallbearers were Pat Hughes, Dan Truelove, Earnie Reusch and Grady Allen.

Many New Features In 1966-67 Texas Almanac Just Published

Maps of leading lakes and historical sites, new U. S. Census business data, Zip codes for all Texas post offices and many other new features are found in the 1966-67 Almanac, just published by The Dallas Morning News. Larger by 48 pages than the last edition, this issue marks the 125th anniversary of the establishment of the firm which publishes The News and the 110th anniversary of the founding of the Texas Almanac. Dr. DeWitt Reddick, director, Schools of Communication and Journalism, University of Texas, is author of the history of "Texas Oldest Business Institution" in this edition.

Other exclusive features in the Texas Almanac listed by

editor Walter B. Moore include:

Population estimates for Texas cities, towns and counties.

Individual County maps and information.

A guide to pronunciation of difficult Texas names.

Individual pages of economic information for each of Texas' 40 largest cities.

Twenty pages with scenes and maps of historic towns and counties.

Reproductions of work by leading Texas artists.

An expanded recreation

section, with color pictures and an introduction by Frank Tolbert of The News.

Election returns for 1964 and earlier years, including Texas' vote in all presidential and gubernatorial elections.

Complete text of the Texas Constitution, with amendments adopted through 1964 and descriptions of amendments submitted in 1965 and for 1966.

Agricultural information and chapters on plant life, weather, minerals, employment and labor, banking, wholesale and retail trade,

service industries, insurance and numerous other topics have been compiled with the assistance of hundreds of Texans who are authorities in the fields.

Often called "The Encyclopedia of Texas," the Texas Almanac is a standard reference in schools, public offices, business institutions and elsewhere. It also is widely used as a gift by individuals and business firms and a tourist guide. The publication is completely indexed and contains more than 450 illustrations.

As It Looks From Here . . .

Omar Barleson, M. C.
17th District, Texas

Washington, D. C. — For many years farmers have been on both horns of the dilemma.

It is a paradox that the farmer is producing more and enjoying it less.

To the farmer it seems at times the elements have been more curse than a blessing. But even adverse weather is being overcome to some degree by conservation measures, by planting at a certain time to lessen insect damage, and by other practices.

All this is well, but increased productivity has not been balanced by profit rewards for the farmer. Since 1950, the farmer's share of the dollar for which his food products have sold in the marketplace has declined by 10 percent. During the same period, the farmer's production costs, related to his gross income, has increased by 10 percent.

The decrease in the number of persons engaged in farm work is highly significant. During the last 30 years the average farm labor employment has been cut in half. In 1965, it is estimated that the number of persons engaged in farm work will be decreased by another 8 percent from the previous year.

The concern with these statistics is not limited to the farmer. It spills over into the political sphere and our social life.

Declining rural population emboldened the Supreme Court to pronounce its "one man one vote" rationale. Under this decision practically all the States were required to reapportion their legislatures. These changes, which are in effect in many States already, show resistance to efforts in the Congress to impose some reasonable limits on the Su-

premen Court's attempt to revamp the political structure of the United States.

There is now a threat to make the economic situation with agriculture even worse. This has to do with including farm labor under Minimum Wage Laws of the Fair Labor Standards Act.

The wage and hour control laws of the Federal Government were designed to meet conditions in industrial employment. Historically it has been acknowledged by the Congress that the nature of agriculture is so different that it is impractical to subject farm employment to the controls designed for industry.

Numerous factors give good reason to such a policy. In the first place, such employment is seasonal. Labor requirements multiply, particularly in the harvest of specific crops. No amount of management, planning and foresight can eliminate or even minimize the necessity for peaks and valleys in the curve of farm labor requirement. Furthermore, farm labor is such a nature that a substantial portion of it can be performed by unskilled or marginal workers.

These two factors alone are reason enough for most farm workers not to be attached to the nation's regular labor force. The records indicate that about half of those employed in farm work are employed for less than 25 days. Almost one-third or part-time workers.

The labor committee of the House of representatives has reported a bill which would subject a portion of farm labor to wage controls, making applicable to agriculture hours and wages which can only be applied with reason to industrial employment.

The imposition of wage and hour controls on agriculture will undoubtedly decrease the amount of employment and

STATE FAIR NOT FAR, "U-NO"

"U-No" Ferris' Fairest? He hopes to be the best when his friend here, John Riley, 15, brings the Hereford steer to the Junior Livestock Show October 19-23 at the 1965 State Fair of Texas in Dallas. John is the son of Mr. and Mrs. Tip Riley of Ferris and a Future Farmer in the Ferris Chapter. Looking on is Jo Ann Pugh, 18, daughter of Mr. and Mrs. Odie Pugh of Ferris. She has been Sweetheart of the Ferris FFA Chapter and has enrolled for the fall term at East Texas State University in Commerce.

drive more and more farmers out of business. The margin of profit is already narrow, and a little bit more cost of production can break the camel's back.

By reason of a certain

Guaranteed wage and working hours, the industrial labor is able to buy more today on wages earned than ever before in history. The farmer's take in this increased plane of the economy is decreasing.

JUNIOR HIGH PLAYER OF WEEK AWARDS—Player of the Week Awards for the first two Junior High games have been awarded by Joe Youngblood, Athletic Director, right. Pictured left to right are Grady Allen, Eighth Grade Coach, Charlie Shira, for the Albany game, Jerry Braley, for the Merkel game;

Robert Brandon, Seventh Grade Coach, Darrell Craig, for the Albany game; Greg Perfin, for the Merkel game; and Youngblood. To win the award a boy must play both offense and defense and be selected by the coaching staff as doing an outstanding job both ways.

Avoid Loss Through Proper Defoliation

Texas cotton farmers lose large sums of money every year through poor defoliation, says Kirby Clayton local county agent. He explains that many producers can improve their cotton grade by following a few simple procedures when defoliating.

Choosing the correct chemical should be the step in a defoliation program. Cotton harvest-aid chemicals are divided into two classes—defoliants and desiccants.

Defoliants cause mature leaves to shed in about seven to nine days and should be used on cotton that is to be mechanically picked. If cotton is to be stripped, a desiccant which causes all of the leaves

to dry and become crumbly should be used.

The Extension Service recommends any one of five good defoliants that are available on the market. Only one desiccant, arsenic acid, is recommended under normal conditions. Makers of penta, did not ask for a label for 1965.

Defoliation should not be started until cotton has reached proper stages of maturity, Clayton stresses. Defoliants can be safely applied when 60 percent or more of the bolls are open. Desiccants should not be applied unless 75 percent of the bolls are open under dryland conditions and 80 percent open on irrigated cotton.

Plants are considered suit-

able mature if the youngest bolls cannot be dented by pressure between the thumb and forefinger or cannot easily be cut through with a sharp knife.

Through coverage of all leaves is essential to a good defoliation program. Therefore, spray tanks, pumps, lines and nozzles should be cleaned to remove sticky residue left by liquid insecticides. Extreme caution should be taken to see that every nozzle on the boom or plane is putting out proper amounts of spray.

Defoliate only enough acreage to stay a head of harvesting. If a second application is required in unusually rank cotton, use a chemical with a different active ingredient to stay within a safe residue tol-

erance. Avoid using any defoliant that is not labeled as to exact chemical content.

Consider carefully all weather information such as dew and humidity forecasts, temperature, wind velocity and rainfall.

Help Your Child Like School. School days have come. Are they important? Will you see that your child loves to go to

school? If he does not, will you try to inspire him with love for it? Be certain that he goes with "shining morning face" instead of dragging unwilling feet. It is easy.

Get acquainted with his teacher. Learn who are his companions. Take an interest both in his studies and amusements.

Keep ever before him the greater efficiency of the man with an education. Point out to him the delight of knowing things.

Emphasize the idea of "work when you work and play when you play," for wise playing is just as important to a child as his work. For it will develop him physically while teaching countless lessons that come only from human contact.

Impress upon your child that he is a reasonable human being and should be above playing any mean trick on teachers and playmates. Put him upon his honor, and you will find the more you do the more he will have a sense on which you may rely.

for a Better Tomorrow

Working, learning to sew... Now, something simple is being prepared and soon her own dresses, and in the future, clothing for her own family. Training is important in the lives of our children.

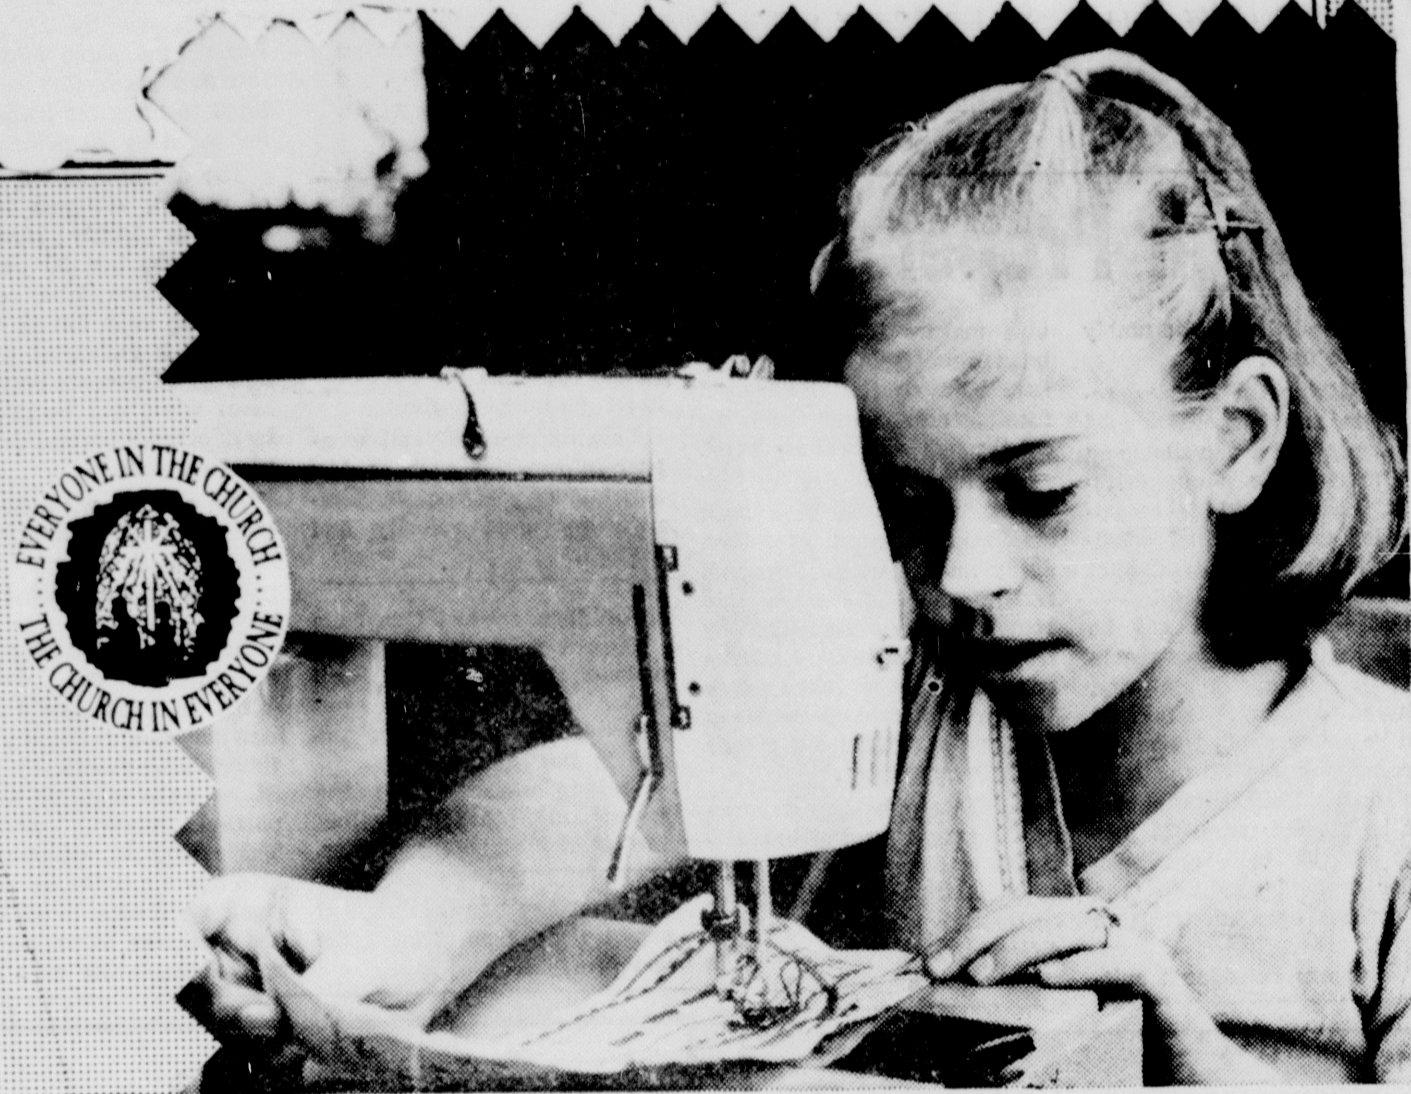

Spiritual training is a must in the lives of our young ones.

"Train up a child in the way he should go: and when he is old, he will not depart from it."

"Take your children to church Sunday."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin. - Battle lines are forming! In the political arena, that is.

Big gloves already have been laced on the champ vote-getter -- Gov. John Connally. He's in the ring and squared away -- ready to battle any challenger. Question now is -- will he win by default? It's possible. He has a record few will challenge.

Very likely there will be a free-for-all in most other races. Texas' second highest state office could be an exception. There Preston Smith holds forth in rather firm command as Lt. Governor.

Popular young Waggoner Carr already has proclaimed his interest in becoming U. S. Senator and is agilely dancing around the ring readying for the first sign of Democratic opposition to Republican John Tower's post. This may come from Congressman Jim Wright who is skipping rope to get in shape for something bigger. But so far he hasn't entered any ring.

Secretary of State Crawford Martin has set up his training camp for Carr's to-be-vacated post as Attorney General of Texas. Most likely he will have Connally's blessing, since he was the Governor's appointee as Secretary.

State Sen. Franklin Spears of San Antonio is trying to decide whether he wants to take on Martin. Other possible candidates for Attorney General are Former Sen. Frank Owens of El Paso, Sen. Gallo-

way Calhoun of Tyler, and Harris County District Atty. Frank Briscoe.

U. S. Sen. John Tower told Austin reporters that Republicans will concentrate their statewide efforts on the senate race in 1966, and will field no active candidate for governor. In reference to his own race and local legislative and congressional contest, Tower predicted a good year for the GOP.

Announcements this early could mean one of two things: a burned out field by '66 -- or several Battles of the century.

As opponents warm up, only time will tell.

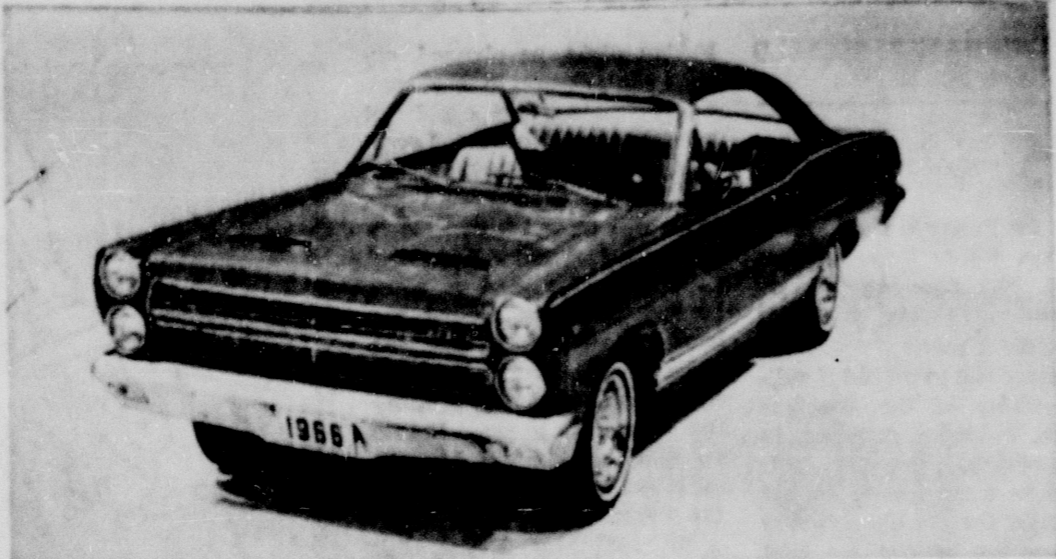

From the Capital Dome and the focal point of all races -- Austin -- it looks right interesting.

Meanwhile, better buy yourself a ticket while still available at the box office. . . er, poll tax headquarters.

Austin... Texas voters, by decisively defeating a proposed constitutional amendment to increase the number of State Senate seats from 31 to 39, removed one possible reason for a special legislative session this year.

Federal courts control two other legal issues which could require lawmakers to come back to the capital for another 1965 powwow.

Since no senatorial districting act had been passed at the regular session, adoption of the amendment would have meant a virtually automatic special session call to decide how the eight additional Senate dis-

Completely restyled for 1966, Comet features a new larger body, a host of luxury appointments and a wider choice of engines. Overall length has been increased by eight inches and wheelbase is two inches greater at 116 inches. Two Mercury 390-cubic-inch engines are added to the power offerings. Sportiest of the new Comets is the Cyclone GT model (above) which offers a high performance 335-horsepower V-8 engine and a unique fiberglass hood with simulated air scoops. The 1966 Comet goes on sale October 1.

Mercury for 1966 again moves forward as a premium car in the medium-price field with tasteful styling changes, new engines and important additions to the option list, including disc brakes. Standard in top-of-the-line Park Lane series (above) and optional in other Mercurys is an exclusive new 410-cubic-inch 330-horsepower engine. The new Mercurys will go on sale in dealer showrooms October 1.

tricts were to be divided.

Proponents of the defeated proposal promptly tagged its rejection a lost for rural areas.

Eight metropolitan counties accounted for enough votes to block it in the light-turnout, September 7, election. But some rural areas voted against it, too.

Thirteen incumbent Senators will be jammed together into six districts under court-ordered senatorial redistricting.

The amendment, if adopted, would have given all incumbents a chance to retain their jobs. Now, a least seven Senate veterans are certain to be eliminated at the polls next year.

Suits challenging Congressional and House of Representatives redistricting by the 59th Legislature and attacking constitutionality of the poll tax still could require a special session.

Congressional redistricting case was heard by a special three-judge federal court at Houston last Thursday. Same court also conducted a pre-trial hearing on the legislative re-apportionment suit. A ruling that either act is unconstitutional conceivable could carry with it a mandate that lawmakers redo their work before the filing deadline for the 1966 election.

If the poll tax is outlawed, Texas will be left without a voter registration act. That is, unless the federal court, which will hear the case here in mid-November, decrees some sort of emergency plan for 1966 elections.

Atty. Gen. Waggoner Carr, federal government's suit to continuing his opposition to the federal government's suit to ban the poll tax, last week fired off letters to all congressmen asking them for evidence to support their findings (in 1965 Voting Rights Act) that the Texas levy violates constitutional rights.

Federal Education Aid Planned... State Board of Education has accepted administrative ground rules for participating in new U. S. elementary-secondary education act which will bring about \$60,000,000 in federal funds to public schools.

At the same time the board approved proposals to triple Texas' migrant school pilot program to reach 18,000 children in 40 districts. It also set up special programs for at least 3,000 adults migrants.

Children whose families follow the crops will get intensive, six-months schooling. Adults participating will receive basic education and training in fundamental home-making and occupational skills.

doches, Polk, San Jacinto, Trinity and Walker Counties on the board, will be appointed at the agency's November meeting.

Forty-five districts were warned of accreditation violations. Eagle Pass district was officially notified it will lose accreditation next July 1 unless substantial progress is made. Eagle Pass Supt. J. L. James assured board the district already is hastening to correct shortcomings.

State Surplus Growing... State government started its new fiscal year on September 1 solidly in black. Surplus was \$136,800,000, according to comptroller Robert S. Calvert. This is nearly \$40,000,000 more than previously estimated.

State revenue for the fiscal year was \$1,800,000,000-\$150,000,000 more than the year before.

Water Suit Filed... Altus, Okla., attacked constitutionality of new Texas law prohibiting transportation of under-

ground water to another state in federal court suit filed here. City had approved \$2,000,000 in bonds to develop underground water supply on the Texas side of the Red River before the Legislature passed a law to ban pipelining water across the state boundary.

Cotton Agreement... Agriculture Commissioner John White and Mexican agriculture officials... Undersecretary of Agriculture Richard Acosta and Benjamin, supervisor of the National Cotton Program of Mexico... agreed to come to an agreement on international pest control effecting cotton.

Officials conferred in Austin after White's earlier announcement that the Texas border would be closed to Mexican cotton on September 25. Close order... which has since been rescinded caused Mexican officials to promise immediate attention to plant insect and disease problems.

Further meetings will be held in Matamoros and Tamaulipas, Mexico, and in Brownsville, Texas, in October, White announced.

Airport Aid Okayed... Texas Aeronautics Commission has committed itself on two-thirds of the \$200,000 in the Texas Airport Aid Program authorized by the 59th Legislature. State grants to aid in construction or improvement of urgently needed airports were made to Cameron for \$10,000; Hearne, \$2,000; Jacksboro, \$10,000; Kountze, \$7,500; Clarksville, \$12,000; Floydada, \$12,000 and Post, \$12,000.

Last month the Commission authorized grants to Comanche, Gatesville, Hallettsville, Lampasas, Pinedale and Caldwell.

Chairman Shelby Kritzer of Amarillo said more hearings will be held by the Commission when new applications are received. Deadline for community airport aid requests is October 31.

AG Opinions... Attorney General Carr has ruled that: County commissioners can reallocate budgeted funds by correct budget amendment procedures.

Justices of peace may be paid on either a fee or salary basis.

FAIRVIEW NEWS

By Mrs. Elmer Joiner

We have no gripes weather-wise this Monday Morning, for the past week has been so pleasant, we even wager that most of the heaters were brought out of storage and burned some. After the last two weeks of summer heat, the cooler weather has really been appreciated.

Mrs. Kenneth Leverett and children have all been sick with colds, but Kimmy and Kristy were recovered enough Sunday, to be in church with their Daddy.

Since Mrs. Leverett was not able to come and play for us, Carol Joe Simpson was kind enough to come out from town and play the piano, for both services Sunday.

Mr. and Mrs. Henry were absent Sunday, having gone to San Angelo Friday, to see a son, Mr. and Mrs. Clois Henry, and children. They got home in time to come to church Sunday night.

Elmer Joiner came home from the hospital Thursday morning. Since this was his first time to be in the hospital I believe he almost enjoyed all the rest and company he had. Friday morning, Connie Drake visited with him and Friday afternoon, Mel Jones came to see him. Mr. and Mrs. Ford had visited Thursday afternoon, then Sunday afternoon. Mr. and Mrs. George Wainwright came, so he may want to get sick again to have company again. He is recovered and back on the tractor this Monday morning.

Those that will have cotton hand pulled will start gathering this week, but since there are not any young bolls on the cotton, owing to the hot, dry, late summer, most of the farmers will defoliate soon and machine harvest their cotton. Some areas, lucky enough to receive some late showers, are not ready to defoliate, but most of it is about at that stage.

Mr. and Mrs. Jack Gray's granddaughter, Darla Hilton, who spent quite a bit of time with them while growing up, was recently married. We did not learn any details but "heard" that she married a teacher in State University where she was attending school. We hope this is right but if it isn't we stand to be corrected.

Mr. and Mrs. Walter Goodwin, of Odessa, spent Sunday night with his brother, Mr. and Mrs. Woodrow Goodwin and Linda.

Mr. and Mrs. Flavil Holmes

went to Peacock, Sunday afternoon, where they met her sister, Mr. and Mrs. R. O. Clements, in his mother's home, for a visit.

Since I had to attend a called meeting of the Womans Forum, Saturday morning, in the library, thought this would be a good place to put in a plug for the library. Any one passing by can see that the building is in a bad shap, so the building committee of the Forum is undertaking to raise enough money to have it repaired. So if you are approached for a donation, don't turn and run, give them some thing, for remember the library is an asset to our town.

Sunday afternoon was Fairview's time to have the services at the Holiday Lodge and we always enjoy it so much. Not so many of our folks were there, but a good crowd of the residents attended, making us very happy.

Mr. and Mrs. H. L. Ford and family, ate lunch Sunday with his parent's, Mr. and Mrs. Joe Ford.

Mr. and Mrs. Ford's son, Joe E. of Hamlin, had a shocking experience Friday, when he was following the truck driver that died with a heart attack. He had just delivered some posts at Mr. Ford's place and he was following him back to town, when he had the attack and was dead on arrival at the hospital. He did not live here.

The family night came off

Friday night, as planned, except that owing to the cold, damp weather we could not meet outdoors at the Leveretts, besides Mrs. Leverett and children were sick. So the place was moved to the Goodwin's garage, making an ideal place, as they had a stove burning and we cooked the hamburgers outside on the grill. They were delicious cooked out, as was proven by the amount eaten. Potato chips and all kinds of desserts, with tea and coffee, finished the menu.

Mr. and Mrs. Doyal Bills and little daughters, returned home to Houston, Saturday, after having spent two weeks vacation here and on the plains with his folks.

Mrs. Henry was a Wednesday afternoon visitor of Mrs. Fred Rosenbaum.

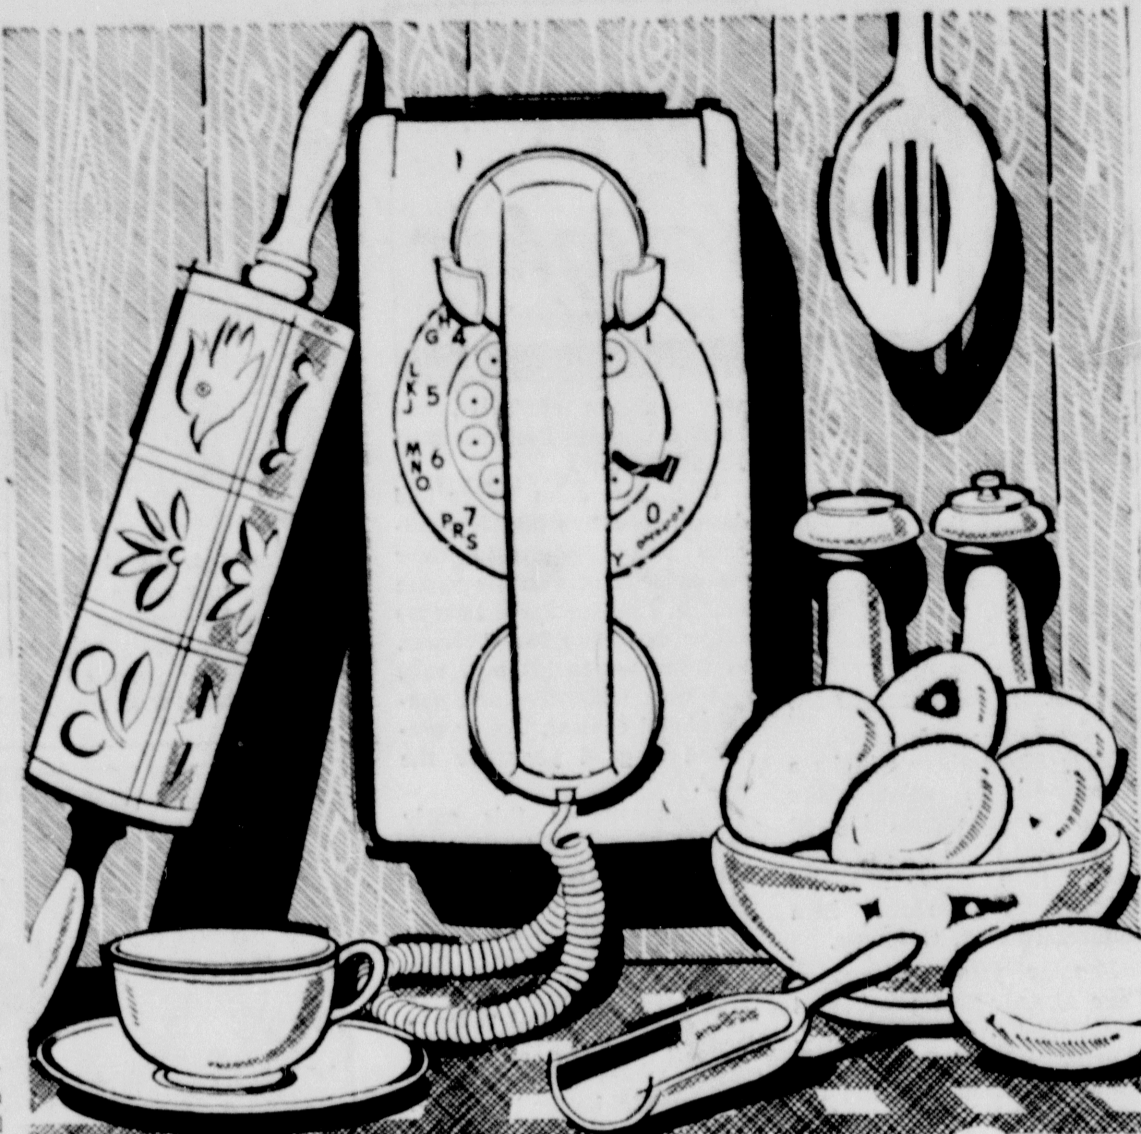

Mr. and Mrs. R. M. Jones invited several of their friends to their home, Saturday night, for a 42 party. Those attending were, Mr. and Mrs. Fred Rosenbaum, Mr. and Mrs. H. L. Ford and Diane, Mr. Irby Weaver, Mr. and Mrs. Runt McCoy and Mr. and Mrs. Elmer Joiner.

Melinda Wright spent Friday night and Saturday with her grand parents, the Flavil Holmes. Melinda is in school in Abilene this year. It is her first year.

Soil Conservation Service Doing Terracing Work

Garth McCallum with the Soil Conservation Service assisting the California Creek Soil Conservation District reports that terracing work is continuing in the Hamlin Area. Terraces have been recently completed on the farms of W. C. "Bill" Matchett 33,300 feet, and W. L. Boyd estate, Cecil Brown Operator 27,768 feet. Tarlton Willingham has

completed brush control on 429 acres of land.

The Soil Conservation has received 3 application for participation in the Great Plains Conservation Program. The application were submitted by Virgil Steele, J. K. French and Elgin and Coyt Smith. These application are for the construction of parallel terraces.

(these District cooperators all have a Hamlin Address except Smith who lives at Tuxedo.)
